

# The Only Home I've Ever Known

## California Honeydrops

**Intro** | \*C \*D - | C F | C C#dim Am | Am G7 | C

**V1**      **C**            **F**            **C**  
Upon this third stone from the sun  
         **F**                    **C**  
The only home I know  
         **G**   **E**            **Am**  
Where love abounds in skies and sounds  
         **D7**                    **G7**  
And tastes too sweet to tell  
         **G7**            **E7**    **Am**  
The night sky's got me wonderin'  
         **F**                    **E7**  
Of worlds I cannot see  
         **F**            **F#dim C**    **E7 Am**  
And the whisper of the evenin' breeze  
         **G7**            **G7**    **C**  
Elsewhere is callin' me  
         **G7**            **C**  
I hear, in a song,  
         **G7**            **C**  
Love ones gone on  
**E7**    **Am**   **Amaj7** **Am7** **D9**  
One's I hope I'll      see again  
**G**            **G7**  
Someday, oh  
**C**   **F**   **C**  
Until my final days  
         **E7**            **Am**   **F**  
In longing I will roam  
**C**            **F**            **C**            **Am**  
Upon this third stone from the sun  
         **D7**            **G7**    **C**  
The only home I've ever known
