Blaze On

Phish

- V1** Climb that hill, stay on your feet
Scramble for your footing when it gets too steep
You're on the highway now with higher hopes
While all around are rolling eggs with living yokes
You never get too sad, you never get too blue
It must be all the chemtrails raining down on you
The justice of the peace can't help you anymore
And they just took the covers off the justice of war
- Chorus** You got your nice shades on, and the worst days are gone,
So now the band plays on, you've got one life, blaze on!
You got your nice shades on, and the worst days are gone
So now the band plays on, you've got one life, blaze on!
- Leo!** | F C G C | F C G C |
- V2** The storm is passing through, lay down your sticks and stones
The struggle's over now, we're all just flesh and bones
We were wrong before, it was wrong to trust
The shadows cast were only light and dust
And then one day you'll find to your intense delight
That 3 wrong turns can really make a right
So why not be like me? Be proud of all your crimes
Cause when i screw up once, I do it 2 more times
- Chorus*
- V3** And we'll be dancing in the fields, running through the moor,
Tripping on the barbed wire, buried near the shore.
Blazing like a comet brighter than the full moon.
So you better get ready, cause a change is coming soon,
I met a liar, called the messiah, I got the frying pan, I wanted fire,
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.
- Chorus*
- Jam** Bb -> C riff into jam in C.
- Outro** Bb -> C riff and "Blaze On" repeated.
- Notes** 7/29/17 (<https://www.youtube.com/watch?v=GFdgMrDrXbl>)

 now)
 I'm melting into nothing

Loving Cup

Rolling Stones

I'm the man on the mountain, come on up
I'm the plowman in the valley with a face full of mud
Yes I am fumbling and I know my car won't start
Yes I am stumbling and I know I play a bad guitar

Give me little drink from your loving cup
Just one drink and I'll fall down drunk

I'm the man who walks the hillside in the sweet summer sun
I'm the man who brings you roses when you ain't got none
Well, I can run and jump and fish, but I won't fight
You if you want to push and pull with me all night

Give me little drink from your loving cup
Just one drink and I'll fall down drunk

I feel so humble with you tonight just sitting in front of the fire

See your face dancing in the flame, feel your mouth kissing me again
What a beautiful buzz, what a beautiful buzz
What a beautiful buzz, what a beautiful buzz
Ohhhhh, what a beautiful buzz, what a beautiful buzz

Yes, I am nitty gritty and my shirt's all torn
But I would love to spill the beans with you till dawn

Give me little drink from your loving cup
Just one drink and I'll fall down drunk

Gimme little drink (...)

Ohhhhhh, what a beautiful buzz, what a beautiful buzz (...)

More Phish

Phish's is in A, this is transposed to G

G F
Life in slow motion, feet are in the clay
C
I'm going nowhere, been standing here all day
G F
I had a notion, there was something more to do
C
As I watched the water, from the banks of the river it swelled and grew
G D
And I tilt to the left, lean to the right, tilt to the left and lean to the right
F C
Walked on coal and slept on glass, amid swords of sound and daggers of light
G D
And my heart is screaming,
F C
cause half of what I say is lies, and it takes so much to keep up this disguise
G F C
It takes so much to keep up this disguise

G D
I see a doorway in the haze and I'm trying to get to it
F C
The stars are peepholes in a wall but we can walk through it
G D
The memory is still so real, the memory's still so real
F C
I guess it's never really over even when it's over

Chorus:
G F
But I'm vibrating with love and light, pulsating with love and light
C
in a world gone mad, a world gone mad, there must be something more than this
G F
I'm vibrating with love and light, pulsating with love and light
C
in a world gone mad, a world gone mad, there must be something more than this

G D
The trumpet call is sounding, the trees are bending low
F C
There's a great fire in the distance, there must be something more than this
G D
And our shadows will all be dancing, with red dust on our clothes
F C

And we'll leave by tornado, elbows in the clouds and feet in the sky

Chorus

G D F C

Ohhhh ohhhh ohhhh, woah ohhh ohh ohh ohhh ohhh (x2)

Chorus

Mountains in the Mist

Phish

G C G Bb C
several times un-consciously I've stumbled on the path

and seen a mountain in the mist
G C G Bb C
As rain falls on my shoulders, sun rises in the east
Amin G
I'm worn and bruised, but
Csus2 D G Bb Amin C Eb Bb
I am here at least

I guess I'm just an obstacle a thing to overcome
If I can sneak around myself and
again, I'll know I've won
The moment seems to hang and float
before me with no end
til I'm released, awake in peace(awakened beast???)
I'm on the road again

Eb Bb
But now I'm soaring f-a-r too high
Bbm F
A fleck of dust up in the sky where
Dmin C
tiny clouds go sailing by
Bb Csus2
Pull me down today

woven in the fairy tales we fabricate each day
are little golden strands of truth that
glimmer in the light
the colorful material we hold a certain way
to keep us from the cold and help to
get us through the night

Possum

Phish

Chords: |: E A E B G A E :|

**I come from atop the mountain baby
Where the people come to pray
I come from atop the mountain baby
Where the people come to pray
There ain't no truth in action
'Less you believe it anyway**

**I was riding down the road one day and
Someone hit a possum
I was riding down the road one day and
Someone hit a possum
The road was his end
His end was the road
So they say**

**Whoa possum, possum, possum... POSSUM.
Whoa possum, possum, possum... POSSUM.
Whoa possum, your end is the road**

Waste Phish

(KR alone, then Boogie, then Philip with vocals)

|: D Dmaj7 D7 | G Gm D :|

Don't want to be an actor, pretending on the stage
Don't want to be a writer, with my thoughts out on the page
Don't want to be a painter, 'cause everyone comes to look
Don't want to be anything where my life's an open book

|: G Gm D :|

A dream, it's true, but I'd see it through.
If I could be (if I could be) wasting my time with you.

Don't want to be a farmer, working in the sun,
Don't want to be an outlaw, always on the run,
Don't want to be a climber, reaching for the top,
Don't want to be anything where I don't know when to stop.

A dream, it's true but I'd see it through.
If I could be (if I could be) wasting my time with you.

|: F C G D :|

So if I'm inside your head, don't believe what you might have read,
You'll see what I might have said, to hear it

|: G Am C :|

Come waste your time with me (X4)

(D descending riff 2x while Boogie solos)

So if I'm inside your head, don't believe what you might have read,
You'll see what I might have said, to hear it
Come waste your time with me (x3)
Come waste!

(Bluegrass break)
