Jimi Hendrix

Form **Am G F G**

Key: A  
Tempo: 115  
Vocals: JM

Intro Justin starts.

V1 "There must be some kinda way out of here"  
Said the joker to the thief  
"There's too much confusion,  
I can't get no relief  
Businessmen, they drink my wine,  
Plow men dig my earth  
None of them along the line  
Know what any of it is worth"

Lead *(Over verse chords)*

V2 "No reason to get excited"  
The thief he kindly spoke  
"There are many here among  
Us who feel that life is but a joke  
But, you and I, we've been through that  
And this is not our fate  
So let us not talk falsely now,  
Because the hour is getting late"

Lead *(Over verse chords)*

V3 All along the watchtower  
Princes kept their view  
While other women came and went  
Barefoot servants, too  
Outside in the cold distance  
A wild cat did growl  
Two riders were approaching  
And the wind began to howl.

Lead JM with "wind down" to quiet before starting V4.

V4 "No reason to get excited"  
The thief he kindly spoke  
"There are many here among  
Us who feel that life is but a joke.

Outro **NO OUTRO. Hard stop after "joke".**

I told Althea I was feeling lost, lacking in some direction.  
Bm              A              E      A              Bm      A              E  
Althea told me upon scrutiny that my back might need protection.

Lead    MV (long)

V2      You may be Saturday's child, all alone, moving with a tinge of grace.  
You may be a clown in the burying ground, or just another pretty face.  
You may meet the fate of Ophelia sleeping and perchance to dream.  
Honest to the point of recklessness, self-centered in the extreme.

Lead    PJ (short)

V3      Ain't nobody messing with you, but you, your friends are getting most concerned.  
Loose with the truth baby it's your fire, but baby don't get burned.  
When the smoke has cleared, she said, that's what she said to me.  
Gonna want a bed to lay your head and a little sympathy.

Lead    MV (short)

This space is getting hot, you know this space is getting hot.

Lead    PJ (long)

V4      I told Althea I'm a roving son, and I was born to be a bachelor.  
Althea told me, okay, that's fine, so now I'm trying to catch her.  
Can't talk to you without talking to me, we're guilty of the same old thing.  
Been talking a lot about less and less and forgetting the love we bring.

We shared the men and women and the wine  
Way, way back in 79, way, way back in 79

Then my best friend's girlfriend, she became my wife  
Some people said we're crazy, others, that's just life,  
We're still together despite the tears and strife

We were learning, sometimes failing, to be kind  
Way, way back in 79, way, way back in 79

He came back out to play Midnight Moonlight  
My daughter knew the words from the bedtime songs she'd heard

We had so much future, so much time  
Way, way back in 79, way, way back in 79

## Grateful Dead

## **Jack Straw**

**Grateful Dead**

We can share the women, we can share the wine  
We can share what we've got of yours 'cause we done shared all of mine.  
Keep on rollin', just a mile to go,  
Keep on rollin', my old buddy, you're movin' much too slow.

I just jumped the watchman, right outside the fence,  
Took his rings, four bucks in change, ain't that heaven sent?  
Hurts my ears to listen, Shannon, burns my eyes to see,  
Cut down a man in cold blood, Shannon, might as well been me.

We used to play for silver, now we play for life;  
And one's for sport and one's for blood at the point of a knife.  
And now the die is shaken, now the die must fall;  
There ain't no winner in the game, he don't go home with all,  
Not with all.

Leavin' Texas, fourth day of July,  
Sun so hot, the clouds so low, the eagles filled the sky.  
Catch the Detroit Lightning out of Santa Fe,  
The Great Northern out of Cheyenne from sea to shining sea.

Gotta go to Tulsa, first train we can ride,  
Got to settle one old score, one small point of pride.  
Ain't no place a man can hide, Shannon, to keep him from the sun;  
Ain't no bed can give us rest, now, you keep us on the run.

Jack Straw from Wichita cut his buddy down,  
And dug for him a shallow grave and laid his body down.  
Half a mile from Tuscon, by the morning light,  
One man gone and another to go, my old buddy you're moving much too slow.

We can share the women, we can share the wine.

# Joy Phish

- V1**      **D**  
Joy is over there in her incredible clothes  
            **Gmaj7**  
She has silver silk shimmering down to her toes

I was doing the best that I can I suppose  
            **Gmaj7**  
But that little girl dancer eventually grows  
            **E      G A**  
Well she grows
- V2**      You can't imagine all the times that I've tried  
To uncover the source of the tears that you cried  
Let's throw it away and just go for a ride  
And you'd say okay but you'd keep it inside  
And I tried, I tried, I tried, I tried
- Chorus**      **G                      D                      A                      G**  
We want you to be happy, don't live inside the gloom  
**G                      D                      A                      G**  
We want you to be happy, come step outside your room  
**G                      F#m                      A**  
We want you to be happy, cause this is your song too
- V3**      I never thought I could have it so good,  
You were the song that my soul understood  
But time is a river that flows through the woods  
And it led us to places we both understood  
Would be gone before too long, would be gone before too long
- V4**      When we were young we thought life was a game  
But then somebody leaves you and you're never the same  
All of the places that people belong  
To the puzzle but one of the pieces is gone  
And it's you, it's you, it's you, Joy it's you  
*Chorus*
- V5**      **Em                      C                      G**  
In time we'll weather this storm

Inside together you'll see the change

# A Monsters

Phish

V1      Easy now, easy now. Easy now, easy now.  
I wake up in my bed with monsters in my head

Easy now, easy now. Easy now, easy now.  
I wake up in my bed with monsters in my head

A world of smoke and shadows  
Has clouded my vision for so long  
And I recall a time when I used to belong

The wreckage of the past  
And the fear of tomorrow haunts my mind  
I'm searching for a way to make it all rewind

## Phish

V1

Life in slow motion, feet are in the clay

I'm going nowhere, been standing here all day

I had a notion, there was something more to do

As I watched the water, from the banks of the river it swelled and grew

And I tilt to the left, lean to the right, tilt to the left and lean to the right

Walked on coal and slept on glass, amid swords of sound and daggers of light

And my heart is screaming,

cause half of what I say is lies, and it takes so much to keep up this disguise

It takes so much to keep up this disguise

V2

I see a doorway in the haze and I'm trying to get to it

The stars are peepholes in a wall but we can walk through it

The memory is still so real, the memory's still so real

I guess it's never really over even when it's over

Chorus

But I'm vibrating with love and light, pulsating with love and light

in a world gone mad, a world gone mad, there must be something more than this

I'm vibrating with love and light, pulsating with love and light

in a world gone mad, a world gone mad, there must be something more than this

V3

The trumpet call is sounding, the trees are bending low

There's a great fire in the distance, there must be something more than this

And our shadows will all be dancing, with red dust on our clothes

And we'll leave by tornado, elbows in the clouds and feet in the sky

Chorus

V4            G                    D                    F                    C  
Ohhhh ohhhh ohhhh, woah ohhh ohh ohh ohhh ohhh  
G                    D                    F                    C

**Tempo: 70**  
**Vocals: JM**

V1 I want to say to my sisters and my brothers, "Keep the Faith"  
When the storm flies and the wind blows go on at a steady pace  
When the battle is fought and the victory is won  
We can all shout together we have overcome  
We'll talk to the Father and the Son when we make it to the Promised Land.

A D A E A D A

**Chorus** If we walk together little children, we don't ever have to worry  
Through this world of trouble, we got to love one another  
Let us take our fellow man by his hand, try to help him to understand  
We can all live together forever and ever When we make it to the Promised Land.

**V2      Our Bible reads, "Thou shall not be afraid"**  
**Of the terror by night nor the arrow which flies by day**  
**Nor for the pestilence that waiteth in the darkness**  
**Nor for the destruction that waiteth in the noon day hour.**

## ***Chorus***

**Lead**

**V3      This World is not our home, we are only passing through.  
Our trail is all made up, way beyond the blue.  
Let us do the very best that we can, While we're traveling through this land  
We can all live together shaking our hands when we make it to the Promised Land.**

V1 Please don't dominate the rap Jack, If you got nothin' new to say.  
If you please, don't back up the track, This train's got to run today.  
I spent a little time on the mountain, Spent a little time on the hill.

Lead **MV lead**

V2 Who can deny, who can deny, It's not just a change of style.  
One step done and another begun, And I wonder how many miles.  
I spent a little time on the mountain, Spent a little time on the hill,  
Things went down we don't understand But I think in time we will  
Now, I don't know, but I was told In the heat of the sun a man died of cold  
Keep on comin' or stand and wait With the sun so dark and the hour so late.

Lead **MS lead**

V3 You can't overlook the lack, Jack, Of any other highway to ride,  
It's got no signs or dividing lines, And very few rules to guide.  
I spent a little time on the mountain, Spent a little time on the hill,  
I saw things getting out of hand I guess they always will.  
Now I don't know but I've been told If the horse don't pull you got to carry the load.  
I don't know whose back's that strong; Maybe find out before too long.

She wore scarlet begonias tucked into her curls  
I knew right away she was not like other girls, other girls.

She was too pat to open and too cool to bluff.

Once in a while you get shown the light

There's nothing wrong with the love that's in her eye.

**V1**        You tell me this town ain't got no heart  
             The sunny side of the street is dark  
             Maybe that's cause it's midnight,  
             In the dark of the moon besides.  
             Maybe the dark is from your eyes (x3)  
             You know you got such dark eyes!

**Chorus**   Nothing shaking on Shakedown Street  
             Used to be the heart of town  
             Don't tell me this town ain't got no heart.  
             You just gotta poke around.

**V2**        You think you've seen this town clear through  
             Nothin' here that could interest you  
             It's not because you missed out  
             On the thing that we had to start.  
             Maybe you had too much too fast (x3)  
             Or just over played your part.

Chorus  
Short lead

**V3**        Since I'm passing your way today  
             I just stopped in 'cause I want to say  
             I recall your darkness

# They Love Each Other

Grateful Dead

Mary run around, sailin' up and down,  
Looking for a show in some direction.  
Got it from the top, it's nothing you can stop,  
Lord, you know they made a fine connection. They love each other,

Lord you can see that it's true (x3)

He could pass his time, around some other line  
But you know he chose this place beside her.  
Don't get in their way, there's nothing you can say,  
Nothing thay you need to add or do. They love each other.

It's nothing they explain, it's like a diesel train  
You better not be there when it rolls over.  
And when that train rolls in you don't know where it's been,  
You gotta try and see a little further. They love each other.
