# Shelter

Justin Murata

Form Verse: G - D - F - C  
Chorus: D - C - G  
Bridge: Em - D - C

Key: G  
Tempo: 90  
Vocals: JM

V1 Over on the big blue ocean  
was a storm raging on a cold grey sea  
Tossing and turning and generally yearning  
for a cool cool breeze under a shady tree  
Was the second on the first boat off the dock  
trying to keep the third mate from going into shock  
Saying one plus one and two plus two  
its gotta make a difference when I look at you

Chorus Throw me some shelter and I'll roll you some one  
Throw me the loose and I'll bring up the line  
Throw me some shelter and I'll roll you some wine

V2 Looking up at the stars up above  
there was one bad mother bearing down on me  
So I had a little talk with the man upstairs  
he said his old lady would see me for a nominal fee  
I had a good look at the nature of the deal  
when the words emerged that made it real  
One plus one, two plus two,  
gotta make a difference when I look at you

*CHORUS*  
*Break*

Bridge Had a little bit of a commotion when the captain thought the ocean did two U-turns  
It was nothing but the boat going around and around and around and around and

V3 Over the mountain past the valley  
back where we started out near the great divide  
Eight billion souls grooving along  
or at least navigating a bumpy ride  
One plus one, two plus two,  
gotta make a difference when I look at you

You gotta' come back for more

# Blaze On

Phish

Key: C  
Tempo: 90  
Vocals: PJ

Intro PJ gtr lick > drum fill > add rest (mellow)

V1  
Climb that hill, stay on your feet  
Scramble for your footing when it gets too steep  
You're on the highway now with higher hopes  
While all around are rolling eggs with living yokes  
You never get too sad, you never get too blue  
It must be all the chemtrails raining down on you  
The justice of the peace can't help you anymore  
And they just took the covers off the justice of war

Chorus  
You got your nice shades on, and the worst days are gone,  
So now the band plays on, you've got one life, blaze on!  
You got your nice shades on, and the worst days are gone  
So now the band plays on, you've got one life, blaze on!

Leo! | F C G C | F C G C |

V2  
The storm is passing through, lay down your sticks and stones  
The struggle's over now, we're all just flesh and bones  
We were wrong before, it was wrong to trust  
The shadows cast were only light and dust  
And then one day you'll find to your intense delight  
That 3 wrong turns can really make a right  
So why not be like me? Be proud of all your crimes  
Cause when i screw up once, I do it 2 more times  
(Chorus)

V3  
And we'll be dancing in the fields, running through the moor,  
Tripping on the barbed wire, buried near the shore.  
Blazing like a comet brighter than the full moon.  
So you better get ready, cause a change is coming soon,

**F**                      **C**                      **G**                      **C**  
I met a liar, called the messiah, I got the frying pan, I wanted fire,  
**F**                      **C**                      **G**  
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.

V2    You said no strings could secure you at the stations.  
Platform ticket, restless diesels, goodbye windows.  
I walked into such a sad time at the station.  
As I walked out felt my own need just beginning.  
I'll wait in the queue when the trains come back  
I'll wait for you where the shadows run from themselves

Consolation from the old wound now forgotten

I'll sleep in this place with the lonely crowd,  
Lie in the dark where the shadows run from themselves
