Joy Phish

V1 Joy is over there in her incredible clothes
She has silver silk shimmering down to her toes
I was doing the best that I can I suppose
But that little girl dancer eventually grows
Well she grows

V2 You can't imagine all the times that I've tried
To uncover the source of the tears that you cried
Let's throw it away and just go for a ride
And you'd say okay but you'd keep it inside
And I tried, I tried, I tried, I tried

Chorus We want you to be happy, don't live inside the gloom
We want you to be happy, come step outside your room
We want you to be happy, cause this is your song too

V3 I never thought I could have it so good,
You were the song that my soul understood
But time is a river that flows through the woods
And it led us to places we both understood
Would be gone before too long, would be gone before too long

V4 When we were young we thought life was a game
But then somebody leaves you and you're never the same
All of the places that people belong
To the puzzle but one of the pieces is gone
And it's you, it's you, it's you, Joy it's you
Chorus

V5 In time we'll weather this storm
Inside together you'll see the change
When the sun shines through
Chorus

Loving Cup

Rolling Stones

Intro Piano: | G C | G C |

V1 I'm the man on the mountain, come on up
I'm the plowman in the valley with a face full of mud
Yes I am fumbling and I know my car won't start
Yes I am stumbling and I know I play a bad guitar
Give me little drink from your loving cup
Just one drink and I'll fall down drunk

V2 I'm the man who walks the hillside in the sweet summer sun
I'm the man who brings you roses when you ain't got none
Well, I can run and jump and fish, but I won't fight
You if you want to push and pull with me all night
Give me little drink from your loving cup
Just one drink and I'll fall down drunk

Bridge I feel so humble with you tonight just sitting in front of the fire
See your face dancing in the flame, feel your mouth kissing me again
What a beautiful buzz, what a beautiful buzz
What a beautiful buzz, what a beautiful buzz
Ohhhhh, what a beautiful buzz, what a beautiful buzz

V3 Yes, I am nitty gritty and my shirt's all torn
But I would love to spill the beans with you till dawn
Give me little drink from your loving cup
Just one drink and I'll fall down ...drunk

B2 Gimme little drink x many

Jam Jam in G.

Outro Oh, what a beautiful buzz, what a beautiful buzz (x4)

Mountains in the Mist

Phish

- V1** Several times unconsciously I've stumbled on the path
And seen a mountain in the mist
As rain falls on my shoulders, sun rises in the east
I'm worn and bruised, but I am here at least
- V2** I guess I'm just an obstacle a thing to overcome
If I can sneak around myself again I'll know I've won
The moment seems to hang and float before me with no end
til I'm released, awakened beast, I'm on the road again
- Chorus** But now I'm soaring far too high
A fleck of dust up in the sky where
tiny clouds go sailing by
Pull me down today
- V3** Woven in the fairy tales we fabricate each day
Are little golden strands of truth that glimmer in the light
The colorful material you hold a certain way
Can keep us from the cold and help to get us through the night
Chorus
