(Encore)

My Sisters and Brothers

Jerry Garcia Band

(Encore) I want to say to my sisters and my brothers, "Keep the Faith"
When the storm flies and the wind blows go on at a steady pace
When the battle is fought and the victory is won
We can all shout together we have overcome
We'll talk to the Father and the Son when we make it to the Promised Land.

Key: A
Tempo: 70
Vocals: JM

Chorus If we walk together little children, we don't ever have to worry
Through this world of trouble, we got to love one another
Let us take our fellow man by his hand, try to help him to understand
We can all live together forever and ever When we make it to the Promised Land.

V2 Our Bible reads, "Thou shall not be afraid"
Of the terror by night nor the arrow which flies by day
Nor for the pestilence that waiteth in the darkness
Nor for the destruction that waiteth in the noon day hour.

Chorus

Lead

V3 This World is not our home, we are only passing through.
Our trail is all made up, way beyond the blue.
Let us do the very best that we can, While we're traveling through this land
We can all live together shaking our hands when we make it to the Promised Land.

Chorus

Outro Make it to the Promised Land, make it to the Promised Land.
Make it to the Promised Land, make it to the Promised Land.
We can make it to the Promised Land, make it to the Promised Land.
We can all live together forever and ever, when we make it to the Promised Land
We can all live together forever and ever, when we make it to the Promised Land.

Blaze On

Phish

Intro PJ gtr lick > drum fill > add rest (mellow)

Key: C

Tempo: 90

Vocals: PJ

V1 Climb that hill, stay on your feet
Scramble for your footing when it gets too steep
You're on the highway now with higher hopes
While all around are rolling eggs with living yokes
You never get too sad, you never get too blue
It must be all the chemtrails raining down on you
The justice of the peace can't help you anymore
And they just took the covers off the justice of war

Chorus You got your nice shades on, and the worst days are gone,
So now the band plays on, you've got one life, blaze on!
You got your nice shades on, and the worst days are gone
So now the band plays on, you've got one life, blaze on!

Leo! | F C G C | F C G C |

V2 The storm is passing through, lay down your sticks and stones
The struggle's over now, we're all just flesh and bones
We were wrong before, it was wrong to trust
The shadows cast were only light and dust
And then one day you'll find to your intense delight
That 3 wrong turns can really make a right
So why not be like me? Be proud of all your crimes
Cause when i screw up once, I do it 2 more times
(Chorus)

V3 And we'll be dancing in the fields, running through the moor,
Tripping on the barbed wire, buried near the shore.
Blazing like a comet brighter than the full moon.
So you better get ready, cause a change is coming soon,
I met a liar, called the messiah, I got the frying pan, I wanted fire,
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.
(Chorus)

Jam Bb -> C riff into jam in C.

Outro Bb -> C riff and "Blaze On" repeated.
