

# Wingsuit

## Phish

**V1** Steal away, let's steal a car  
You'll never win a major only shooting par  
Step outside, feel the sun  
It's only you, be you, cause you're the only one

**Pre-chorus**      **D**      **C**  
And it feels good  
                 **D**      **C**  
Cause it feels good  
                 **D**      **C**  
And it feels good

**V2** Nothing lasts, nothing stays  
Caught in this procession of unchanging days  
What's new is old, what's old is gone  
You're pushed up to the edge so put your wingsuit on

**Chorus**      **Bb**                      **F**                      **C**  
And gliding away you fly where you choose  
**Bb**                      **F**                      **Gm**  
There's nothing to say and nothing to lose

**V4** Steal away, paint the sky  
Put your wingsuit on (4x)  
And gliding away you fly where you choose  
There's nothing to say and nothing to lose
