Back on the Train

Phish

F9

V1 When I jumped off, I had a bucket full of thoughts
Bb Ab
When I first jumped off, I held that bucket in my hand
F9
Ideas that would take me all around the world
Bb Ab
I stood and watched the smoke behind the mountain curl
Eb Bb Ab F9
It took me a long time to get back on the train

V2 Now I'm gone and I'll never look back again
I'm gone and I'll never look back at all
You know I'll never look back again
I turn my face into the howlin' wind
It took me a long time to get back on the train

V3 See my face in the town that's flashing by
See me standing at the station in the rain
See me standing there beside the car
I left it all behind, again I'll travel far
It took me a long time to get back on the train

V4 When I jumped off, I had a bucket full of thoughts
When I first jumped off, I held that bucket in my hand
Ideas that would take me all around the world
I stood and watched the smoke behind the mountains curl
It took me a long time to get back on the train
It took me a long time to get back on the train
It took me a long time to get back on the train

And I followed you big river when you called.

Chorus

V2 Well I followed her down to St. Lou, later on down the river,
Trader said she's been here, but she's gone, boy, she's gone.
Well I followed her down to Memphis, but she just walked off the bus,
She raised a few eyebrows and she went on down alone.

Chorus

V3 Well I've gotten on down to Baton Rouge, River Queen roll on,
Take that woman down to New Orleans, New Orleans.
I give up, I've had enough, followed my blues on down to the gulf,
She loves you big river more than me.
