

**Let it rock**  
**Chuck Berry**

- A**  
**V1** Well up in the evening down in Mobile, Alabama  
**A**  
Working on the railroad with the steel driving hammer  
**D**  
Gotta make some money to buy some brand new shoes  
**D**  
Trying to find somebody to take away these blues  
**E**  
"She don't love me" hear them singing in the sun  
**A**  
Payday's coming and my work is all done
- V2** Later in the evening when the sun is sinking low  
All day I been waiting for the whistle to blow  
Sitting in a tepee built right on the tracks  
Rolling them bones until the foreman comes back  
Pick up you belongings boys and scatter about  
We've got an off-schedule train comin two miles about
- V2** Everybody's trembling and running around  
Picking up their money, tearing the tepee down  
Foreman wants a penny about to go insane  
Trying to get the workers out the way of the train  
Engineer blowing the whistle loud and long  
Can't stop the train, gotta let it roll on
