

# Miss You

Phish

Intro | : F# / E B : |

V1 You're smiling at me, from your picture frame,  
and I miss you  
My life keeps on changing, but you stay the same,  
and I miss you  
So many moments, that we should have shared,  
I miss you  
And the days turn to years, and it hasn't stopped yet  
The memories we shared, I will never forget  
No I will never forget

V2 There's a hole in my heart, that'll never be filled, I miss you  
This all should get easier, but it never will, I miss you  
I float through the days, and the long lonely nights, I miss you  
And I hear your footsteps, you're coming down the stairs  
Lost in your laughter, the sun in your hair  
A brief recollection, the light in your eyes,  
I see the reflection, but it passes by  
It passes me by

Solo (solo over bridge chords)  
B B A E

V3 You're smiling at me, from your picture frame, I miss you  
Every morning I wake up, and I whisper your name, I miss you  
You're in faces of people, I see on the street  
You're everywhere (x3)
