# **A Wave of Hope**

## **Phish**

- V1** From out of the chaos a wave appears  
In the moonlit confusion  
Irons melted, coming Grace, no longer frozen
- V2** The pillow drowns the moans and shallow breaths  
As dancing silvery rays change, each wave eyes a star  
And the swollen moon hangs over the water
- V3** Reflections guide the way, gold maze mirrors  
As the night wheels turn  
Shipwrecks sway, steel mast crashes, spin green sky
- Chorus** I have grown my wings, I am flying  
Ascending now, I am soaring  
Untied my wrists, and flew away  
This too shall pass, this too shall pass
- Bridge** We are flying, we are flying over the water  
We are diving, we are diving into the water
- Jam** Repeat Chorus  
Jam over bridge and chorus  
Repeat chorus X2

# Back on the Train

## Phish

- V1** When I jumped off, I had a bucket full of thoughts  
When I first jumped off, I held that bucket in my hand  
Ideas that would take me all around the world  
I stood and watched the smoke behind the mountain curl  
It took me a long time to get back on the train
- V2** Now I'm gone and I'll never look back again  
I'm gone and I'll never look back at all  
You know I'll never look back again  
I turn my face into the howlin' wind  
It took me a long time to get back on the train
- V3** See my face in the town that's flashing by  
See me standing at the station in the rain  
See me standing there beside the car  
I left it all behind, again I'll travel far  
It took me a long time to get back on the train
- V4** When I jumped off, I had a bucket full of thoughts  
When I first jumped off, I held that bucket in my hand  
Ideas that would take me all around the world  
I stood and watched the smoke behind the mountains curl  
It took me a long time to get back on the train  
It took me a long time to get back on the train  
It took me a long time to get back on the train

# Backwards Down the Number Line

Phish

**V1** Happy happy oh my friend, Blow out candles once again  
Leave the presents all inside, Take my hand and let's take a ride  
Backwards down the number line  
You were eight and I was nine. Do you know what happened then?  
Do you know why we're still friends? Laughing all these many years  
We pushed through hardships tasted tears, Made a promise one to keep  
I can still recite it in my sleep  
Every time a birthday comes, Call your friend and sing a song  
Or whisper it into his ear, Or write it down, just don't miss a year

**Chorus** You decide what it contains, How long it goes but this remains  
The only rule is it begins, Happy happy oh my friend  
And all my friends come backwards down the number line (x3)

**Bridge** Em D C Em D C

**V2** And when I see you coming down the line with eyes wide open  
Somewhere in between the past and future, where you drift in time  
You can see a different point of view

**Outro** Repeat Chorus 2x  
Jam -> Repeat Chorus

# Blaze On

## Phish

**V1** Climb that hill, stay on your feet  
Scramble for your footing when it gets too steep  
You're on the highway now with higher hopes  
While all around are rolling eggs with living yokes  
You never get too sad, you never get too blue  
It must be all the chemtrails raining down on you  
The justice of the peace can't help you anymore  
And they just took the covers off the justice of war

**Chorus** You got your nice shades on, and the worst days are gone,  
So now the band plays on, you've got one life, blaze on!  
You got your nice shades on, and the worst days are gone  
So now the band plays on, you've got one life, blaze on!

**Leo!** | F C G C | F C G C |

**V2** The storm is passing through, lay down your sticks and stones  
The struggle's over now, we're all just flesh and bones  
We were wrong before, it was wrong to trust  
The shadows cast were only light and dust  
And then one day you'll find to your intense delight  
That 3 wrong turns can really make a right  
So why not be like me? Be proud of all your crimes  
Cause when i screw up once, I do it 2 more times

### *Chorus*

**V3** And we'll be dancing in the fields, running through the moor,  
Tripping on the barbed wire, buried near the shore.  
Blazing like a comet brighter than the full moon.  
So you better get ready, cause a change is coming soon,  
I met a liar, called the messiah, I got the frying pan, I wanted fire,  
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.

### *Chorus*

**Jam** Bb -> C riff into jam in C.

**Outro** Bb -> C riff and "Blaze On" repeated.

Take me to another time  
Run with me across the oceans,  
Float me on a silver cloud

**Joy  
Phish**

**V1** Joy is over there in her incredible clothes  
She has silver silk shimmering down to her toes  
I was doing the best that I can I suppose  
But that little girl dancer eventually grows  
Well she grows

**V2** You can't imagine all the times that I've tried  
To uncover the source of the tears that you cried  
Let's throw it away and just go for a ride  
And you'd say okay but you'd keep it inside  
And I tried, I tried, I tried, I tried

**Chorus** We want you to be happy, don't live inside the gloom  
We want you to be happy, come step outside your room  
We want you to be happy, cause this is your song too

**V3** I never thought I could have it so good,  
You were the song that my soul understood  
But time is a river that flows through the woods  
And it led us to places we both understood  
Would be gone before too long, would be gone before too long

**V4** When we were young we thought life was a game  
But then somebody leaves you and you're never the same  
All of the places that people belong  
To the puzzle but one of the pieces is gone  
And it's you, it's you, it's you, Joy it's you  
*Chorus*

**V5** In time we'll weather this storm  
Inside together you'll see the change  
When the sun shines through  
*Chorus*

# Miss You

## Phish

**Intro** |: F# / E B :|

**V1** You're smiling at me, from your picture frame,  
and I miss you  
My life keeps on changing, but you stay the same,  
and I miss you  
So many moments, that we should have shared,  
I miss you  
And the days turn to years, and it hasn't stopped yet  
The memories we shared, I will never forget  
No I will never forget

**V2** There's a hole in my heart, that'll never be filled, I miss you  
This all should get easier, but it never will, I miss you  
I float through the days, and the long lonely nights, I miss you  
And I hear your footsteps, you're coming down the stairs  
Lost in your laughter, the sun in your hair  
A brief recollection, the light in your eyes,  
I see the reflection, but it passes by  
It passes me by

**Solo** (solo over bridge chords)  
B B A E

**V3** You're smiling at me, from your picture frame, I miss you  
Every morning I wake up, and I whisper your name, I miss you  
You're in faces of people, I see on the street  
You're everywhere (x3)

## More Phish

- V1** Life in slow motion, feet are in the clay  
I'm going nowhere, been standing here all day  
I had a notion, there was something more to do  
As I watched the water, from the banks of the river it swelled and grew  
And I tilt to the left, lean to the right, tilt to the left and lean to the right  
Walked on coal and slept on glass, amid swords of sound and daggers of light  
And my heart is screaming,  
cause half of what I say is lies, and it takes so much to keep up this disguise  
It takes so much to keep up this disguise
- V2** I see a doorway in the haze and I'm trying to get to it  
The stars are peepholes in a wall but we can walk through it  
The memory is still so real, the memory's still so real  
I guess it's never really over even when it's over
- Chorus** But I'm vibrating with love and light, pulsating with love and light  
in a world gone mad, a world gone mad, there must be something more than this  
I'm vibrating with love and light, pulsating with love and light  
in a world gone mad, a world gone mad, there must be something more than this
- V3** The trumpet call is sounding, the trees are bending low  
There's a great fire in the distance, there must be something more than this  
And our shadows will all be dancing, with red dust on our clothes  
And we'll leave by tornado, elbows in the clouds and feet in the sky
- Chorus
- V4** Ohhhh ohhhh ohhhh, woah ohhh ohh ohh ohhh ohhh  
Ohhhh ohhhh ohhhh, woah ohhh ohh ohh ohhh ohhh
- Jam
- Chorus

# Mountains in the Mist

Phish

- V1** Several times unconsciously I've stumbled on the path  
And seen a mountain in the mist  
As rain falls on my shoulders, sun rises in the east  
I'm worn and bruised, but I am here at least
- V2** I guess I'm just an obstacle a thing to overcome  
If I can sneak around myself again I'll know I've won  
The moment seems to hang and float before me with no end  
til I'm released, awakened beast, I'm on the road again
- Chorus** But now I'm soaring far too high  
A fleck of dust up in the sky where  
tiny clouds go sailing by  
Pull me down today
- V3** Woven in the fairy tales we fabricate each day  
Are little golden strands of truth that glimmer in the light  
The colorful material you hold a certain way  
Can keep us from the cold and help to get us through the night  
*Chorus*

# **Possum**

## **Phish**

**V1** I come from atop the mountain baby where the people come to pray  
I come from atop the mountain baby where the people come to pray  
There ain't no truth in action 'less you believe it anyway

**V2** I was riding down the road one day and someone hit a possum  
I was riding down the road one day and someone hit a possum  
The road was his end, his end was the road, so they say

**Chorus** Whoa possum, possum, possum... POSSUM.  
Whoa possum, possum, possum... POSSUM.  
Whoa possum, your end is the road

**Notes** 12/04/09 (<https://www.youtube.com/watch?v=Rz31jYsrLm4>)

# Waste Phish

Chords | D Dmaj7 D7 | G Gm D |

**V1** Don't want to be an actor, pretending on the stage  
Don't want to be a writer, with my thoughts out on the page  
Don't want to be a painter, 'cause everyone comes to look  
Don't want to be anything where my life's an open book  
A dream, it's true, but I'd see it through.  
If I could be (if I could be) wasting my time with you.

**V2** Don't want to be a farmer, working in the sun,  
Don't want to be an outlaw, always on the run,  
Don't want to be a climber, reaching for the top,  
Don't want to be anything where I don't know when to stop.  
A dream, it's true but I'd see it through.  
If I could be (if I could be) wasting my time with you.

**Bridge** So if I'm inside your head,  
don't believe what you might have read,  
You'll see what I might have said, to hear it  
Come waste your time with me (x4)

**V4** (Repeat bridge)

# Wolfman's Brother

## Phish

**Intro** | Bb / Gm Ab |

**V1** It was many years ago now  
I really can't be sure  
Cause when it all began then  
I heard that knock upon my door.  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on me.

**V2** The telephone was ringing  
That's when I handed it to Liz  
She said, "This isn't who it would be  
If it wasn't who it is"  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on me.

**V3** So I might be on a side street  
Or a stairway to the stars  
I hear the high pitched cavitation  
Of propellers from afar  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on me.

**Bridge** So in meaningless excitement.  
through the total sound.  
It's like a cross between a hurricane.  
It's like a ship that's running ground  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on...comin' down on me.
