

## Phish

**Chorus**

You decide what it contains, How long it goes but this remains

The only rule is it begins, Happy happy oh my friend

And all my friends come backwards down the number line (x3)

V2

Bm C  
And when I see you coming down the line with eyes wide open

Bm C  
Somewhere in between the past and future, where you drift in time

D G  
You can see a different point of view
