

Mystery Train

Junior Parker

- V1** **Train I ride, sixteen coaches long.**
Train I ride, sixteen coaches long.
The woman I love, she's on that train and gone.
- V2** **Train, train, rollin' down the track.**
Train, train, rollin' down the track.
It took away my baby, and it's never comin' back.
- V3** **Train train, rolling 'round the bend.**
Train train, rolling 'round the bend.
It took away my baby, I'll never see her again.
- V4** **Train train, rolling 'round the curve.**
Train train, rolling 'round the curve.
It took away my baby, guess I got what I deserve.
- Bridge** **Well I went down to the station, to meet my baby at the gate**
Asked the station master, "Is your train running late?"
She said she'd be waiting on the 4:44
Well, I hate to tell you boy, that train don't stop here any more.
