Phish

**Intro**    Slow pickup: Bb > Gm > Ab -> Bb > Gm > Ab/drum fill > Bb

**Key: Bb**  
**Tempo: 92**  
**Vocals: MV**

**V1**        It was many years ago now  
             I really can't be sure  
             Cause when it all began then  
             I heard that knock upon my door.  
             It's the Wolfman's Brother, the Wolfman's Brother  
             Comin' down on me.

**V2**        The telephone was ringing  
             That's when I handed it to Liz  
             She said, "This isn't who it would be  
             If it wasn't who it is"  
             It's the Wolfman's Brother, the Wolfman's Brother  
             Comin' down on me.

**V3**        So I might be on a side street  
             Or a stairway to the stars  
             I hear the high pitched cavitation  
             Of propellers from afar  
             It's the Wolfman's Brother, the Wolfman's Brother  
             It's the Wolfman's Brother, the Wolfman's Brother  
             It's the Wolfman's Brother, the Wolfman's Brother  
             Comin' down on me.

**Bridge**    So in meaningless excitement.  
             through the total sound.  
             It's like a cross between a hurricane.  
             It's like a ship that's running ground  
             It's the Wolfman's Brother, the Wolfman's Brother  
             It's the Wolfman's Brother, the Wolfman's Brother  
             It's the Wolfman's Brother, the Wolfman's Brother  
             Comin' down on...comin' down on me.

**Jam**       | (Extended jam in Bb) | Bb / / / | Gm / Ab / |
