## Phish

V1

C G D  
Happy happy oh my friend, Blow out candles once again

Em D C G  
Leave the presents all inside, Take my hand and let's take a ride

D  
Backwards down the number line

Em D  
You were eight and I was nine. Do you know what happened then?

C G  
Do you know why we're still friends? Laughing all these many years

D Em  
We pushed through hardships tasted tears, Made a promise one to keep

Em D C G  
I can still recite it in my sleep

D Em  
Every time a birthday comes, Call your friend and sing a song

D C G  
Or whisper it into his ear, Or write it down, just don't miss a year

**Chorus**      **F**                      **C**                                              **G**  
You decide what it contains, How long it goes but this remains

**F**                      **C**                                              **G**  
The only rule is it begins, Happy happy oh my friend

**F**                      **C**                                              **G**  
And all my friends come backwards down the number line (x3)

**Bridge**    **Em D C Em D C**

**Bm** **C**  
V2 And when I see you coming down the line with eyes wide open  
**Bm** **C**  
Somewhere in between the past and future, where you drift in time  
**D** **G**  
You can see a different point of view

**Outro** Repeat Chorus 2x  
Jam -> Repeat Chorus
