V1                    C                    F                    C                    F  
Well, everybody's building big ships and boats

Some are building monuments, others jotting down notes  
C                    F                    C                    F  
Everybody's in despair, every girl and boy  
C                    G                    F                    C  
But when Quinn the Eskimo gets here, everybody's gonna jump for joy

Chorus                    C                    F  
Come all without, come all within  
C                    G                    C  
You'll not see nothing like the mighty Quinn  
C                    F  
Come all without, come all within  
C                    G                    C  
You'll not see nothing like the mighty Quinn

V2                    I like to do just like the rest, I like my sugar sweet  
But jumping queues and making haste just ain't my cup of meat.  
Everybody's out there feeding pigeons on a limb  
But when Quinn the Eskimo gets here, the pigeons gonna run to him

*Chorus*

V3                    A cat's meow and a cow's moo, I can recite them all,  
Tell me where it hurts you, honey, and I'll tell you who to call  
Nobody can get any sleep, there's someone on everybody's toes  
When Quinn the Eskimo gets here, everybody's gonna wanna doze

*Chorus*
