

Mountains in the Mist

Phish

- V1** Several times unconsciously I've stumbled on the path
 And seen a mountain in the mist
 As rain falls on my shoulders, sun rises in the east
 I'm worn and bruised, but I am here at least
- V2** I guess I'm just an obstacle a thing to overcome
 If I can sneak around myself again I'll know I've won
 The moment seems to hang and float before me with no end
 til I'm released, awakened beast, I'm on the road again
- Chorus** But now I'm soaring far too high
 A fleck of dust up in the sky where
 tiny clouds go sailing by
 Pull me down today
- V3** Woven in the fairy tales we fabricate each day
 Are little golden strands of truth that glimmer in the light
 The colorful material you hold a certain way
 Can keep us from the cold and help to get us through the night
 Chorus
