Key: F  
Tempo: 120

V1      See that full moon a rising  
         See those fireflies all aglow  
         The summer is young the night is callin'  
         But daylight come and I'll be gone

Chorus    So just one kiss from you girl  
            Just one more before I go  
            One more dance out on the dance floor  
            Just one more before I go (*quick break, 1st time only*)

V2      Hear that lonesome whistle blowin  
         Hear those birds begin their songs  
         Soon a new day will be dawnin'  
         But I'll be on my way and gone  
         (*Chorus*)

Jam      (Over verse chords)

V3      Yeah, ohhh it feels so good now baby  
         Rockin in your lovin arms  
         I wish I could stay right here with you girl  
         But daylight comes and I'll be gone  
         (*Chorus*)
