The woman I love, she's on that train and gone.

V2 Train, train, rollin' down the track.
Train, train, rollin' down the track.
It took away my baby, and it's never comin' back.

Bridge Well I went down to the station, to meet my baby at the gate
Asked the station master, "Is your train running late?"
She said she'd be waiting on the 4:44
Well, I hate to tell you boy, that train don't stop here any more.

V3 Train train, rolling 'round the bend.
Train train, rolling 'round the bend.
It took away my baby, I'll never see her again.
