When they come to take you down, when they bring that wagon 'round  
**B**                      **E**                      **B**                      **E**  
When they come to call on you, and drag your poor body down  
**F#m**                      **C#m**                      **A**                      **E**  
Just one thing I ask of you, just one thing for me  
**B**                      **C#m**                      **A**                      **E**  
Please forget you knew my name, my darling Sugaree  
**B**                      **E**                      **C#m**                      **A**                      **E**  
Shake it, shake it sugaree, just don't tell them that you know me  
**B**                      **E**                      **C#m**                      **A**  
Shake it, shake it sugaree, just don't tell them you know me

V2      You thought you was the cool fool and never could do no wrong.  
Had everything sewed up tight. How come you lay awake all night long?  
Just one thing...

Lead    **MS Lead**

V3      Well in spite of all you gained, you still had to stand out in the pouring rain  
One last voice is calling you and I guess it's time you go  
Just one thing...

Lead    **PJ Lead**

V4      Well shake it up now Sugaree, I'll meet you at the Jubilee  
And if that Jubilee don't come maybe I'll meet you on the run  
Just one thing...
