

Mountains in the Mist

Phish

- V1** Several times unconsciously I've stumbled on the path
And seen a mountain in the mist
As rain falls on my shoulders, sun rises in the east
I'm worn and bruised, but I am here at least
- V2** I guess I'm just an obstacle a thing to overcome
If I can sneak around myself again I'll know I've won
The moment seems to hang and float before me with no end
til I'm released, awakened beast, I'm on the road again
- Chorus** But now I'm soaring far too high
A fleck of dust up in the sky where
tiny clouds go sailing by
Pull me down today
- V3** Woven in the fairy tales we fabricate each day
Are little golden strands of truth that glimmer in the light
The colorful material you hold a certain way
Can keep us from the cold and help to get us through the night
Chorus
