Back on the Train

Phish

F9

V1 When I jumped off, I had a bucket full of thoughts
Bb Ab
When I first jumped off, I held that bucket in my hand
F9
Ideas that would take me all around the world
Bb Ab
I stood and watched the smoke behind the mountain curl
Eb Bb Ab F9
It took me a long time to get back on the train

V2 Now I'm gone and I'll never look back again
I'm gone and I'll never look back at all
You know I'll never look back again
I turn my face into the howlin' wind
It took me a long time to get back on the train

V3 See my face in the town that's flashing by
See me standing at the station in the rain
See me standing there beside the car
I left it all behind, again I'll travel far
It took me a long time to get back on the train

V4 When I jumped off, I had a bucket full of thoughts
When I first jumped off, I held that bucket in my hand
Ideas that would take me all around the world
I stood and watched the smoke behind the mountains curl
It took me a long time to get back on the train
It took me a long time to get back on the train
It took me a long time to get back on the train

Stevie Wonder

Catfish John
Nitty Gritty Dirt Band

A **D**
Chorus Mama said, "Don't go near that river,
A **E**
Don't be hangin' around old Catfish John"
A **D**
But come the morning, I'd always be there
A **E**
Walkin' in his footsteps in the sweet delta dawn

V1 Take me back to another morning
To a time so long ago
When the sweet magnolias blossomed
And the cotton fields were white as snow

V2 Catfish John was a river hobo
He lived and died on the riverbend
Thinking back, I still remember
I was proud to be his friend

Chorus

V3 Born a slave in the town of Vicksburg
Traded for a chestnut mare
He never spoke a word in anger
Though his load was hard to bear

V4 Let me dream of another morning
And a time so long ago
When the sweet magnolias blossom
And the cotton fields were white as snow

Chorus

Love is humming inside my brain
There's one thing baby, that keeps me crying
You been keeping your lips from mine

Love is dragging him through the mill
If it wasn't for having you
I'd be barking and a-hollering too

V4 Someday baby, I'll get you yet
I'll be hollering, soaking wet
One thing baby, I'll never stand
Your lips kissing some other man

Chorus Evangeline, she's on her own

Just barely seventeen, when she left home

Don't know where she's been, or where she's gone ,

She is the queen of make-believe, Evangeline.

V1 I still remember this little girl,

Black eyes just starin' at this mean old world

Went off to find some some American dream,

Train ticket in the pocket, of her new blue jeans

**V1 She went out dancin', on a Saturday night
Silk stockings and high heels, looking fine and just right
On Sunday mornin', she's on her own
Head lyin' on the back stair, by the telephone**

Jerry Garcia Band

V1 I want to say to my sisters and my brothers, "Keep the Faith"

When the storm flies and the wind blows go on at a steady pace

When the battle is fought and the victory is won

We can all shout together we have overcome

We'll talk to the Father and the Son when we make it to the Promised Land.

Through this world of trouble, we got to love one another

Let us take our fellow man by his hand, try to help him to understand

We can all live together forever and ever When we make it to the Promised Land.

Of the terror by night nor the arrow which flies by day

Nor for the pestilence that waiteth in the darkness

Nor for the destruction that waiteth in the noon day hour.

Our trail is all made up, way beyond the blue.

Let us do the very best that we can, While we're traveling through this land

We can all live together shaking our hands when we make it to the Promised Land.

Make it to the Promised Land, make it to the Promised Land.

We can make it to the Promised Land, make it to the Promised Land.

We can all live together forever and ever, when we make it to the Promised Land

We can all live together forever and ever, when we make it to the Promised Land.

Maybe you want to give me kisses sweet

But only for one night with no repeat
A
And maybe you'll go away and never call

If you feel like givin' me a lifetime of devotion

And so it makes you wise to break the rules**
