# Mountains in the Mist

Phish

- V1** Several times unconsciously I've stumbled on the path  
And seen a mountain in the mist  
As rain falls on my shoulders, sun rises in the east  
I'm worn and bruised, but I am here at least
- V2** I guess I'm just an obstacle a thing to overcome  
If I can sneak around myself again I'll know I've won  
The moment seems to hang and float before me with no end  
til I'm released, awakened beast, I'm on the road again
- Chorus** But now I'm soaring far too high  
A fleck of dust up in the sky where  
tiny clouds go sailing by  
Pull me down today
- V3** Woven in the fairy tales we fabricate each day  
Are little golden strands of truth that glimmer in the light  
The colorful material you hold a certain way  
Can keep us from the cold and help to get us through the night  
*Chorus*

**Joy**  
**Phish**

**V1** Joy is over there in her incredible clothes  
She has silver silk shimmering down to her toes  
I was doing the best that I can I suppose  
But that little girl dancer eventually grows  
Well she grows

**V2** You can't imagine all the times that I've tried  
To uncover the source of the tears that you cried  
Let's throw it away and just go for a ride  
And you'd say okay but you'd keep it inside  
And I tried, I tried, I tried, I tried

**Chorus** We want you to be happy, don't live inside the gloom  
We want you to be happy, come step outside your room  
We want you to be happy, cause this is your song too

**V3** I never thought I could have it so good,  
You were the song that my soul understood  
But time is a river that flows through the woods  
And it led us to places we both understood  
Would be gone before too long, would be gone before too long

**V4** When we were young we thought life was a game  
But then somebody leaves you and you're never the same  
All of the places that people belong  
To the puzzle but one of the pieces is gone  
And it's you, it's you, it's you, Joy it's you  
*Chorus*

**V5** In time we'll weather this storm  
Inside together you'll see the change  
When the sun shines through  
*Chorus*

# Miss You

## Phish

- V1** You're smiling at me, from your picture frame,  
and I miss you  
My life keeps on changing, but you stay the same,  
and I miss you  
So many moments, that we should have shared,  
I miss you  
And the days turn to years, and it hasn't stopped yet  
The memories we shared, I will never forget  
No I will never forget
- V2** There's a hole in my heart, that'll never be filled, I miss you  
This all should get easier, but it never will, I miss you  
I float through the days, and the long lonely nights, I miss you  
And I hear your footsteps, you're coming down the stairs  
Lost in your laughter, the sun in your hair  
A brief recollection, the light in your eyes,  
I see the reflection, but it passes by  
It passes me by
- Solo** (solo over bridge chords)  
B B A E
- V3** You're smiling at me, from your picture frame, I miss you  
Every morning I wake up, and I whisper your name, I miss you  
You're in faces of people, I see on the street  
You're everywhere (x3)

# Squirming Coil

## Phish

**V1**           The squirming coil of sunset I keep within my reach  
Tried yesterday to get away and hitchhiked to the beach  
I saw Satan on the beach trying to catch a ray  
He wasn't quite the speed of light and the squirming coil  
It got away, It got away (4x)

### Interlude 1

**V2**           The muscles flex the mother's ring, she fastens children to her king  
And sends him down the crooked street, When he returns, the birth's complete  
Jimmy holds the Tannis root, the forest's tasty nectar shoot  
The sun tips off the monarch's suit from sequined sash to shiny boot  
"I'd like to lick the coil some day, like Icarus, who had to pay  
with melting wax and feathers brown, he tasted it on his way down"  
Stun the puppy! Burn the whale!  
Bark a scruff and go to jail! Forge the coin and lick the stamp!  
Little Jimmy's off to camp

### Interlude 2

**Outro**       It got away, It got away (repeat)  
(Piano Jam: F C G)
