Back on the Train

Phish

- V1** When I jumped off, I had a bucket full of thoughts
When I first jumped off, I held that bucket in my hand
Ideas that would take me all around the world
I stood and watched the smoke behind the mountain curl
It took me a long time to get back on the train
- V2** Now I'm gone and I'll never look back again
I'm gone and I'll never look back at all
You know I'll never look back again
I turn my face into the howlin' wind
It took me a long time to get back on the train
- V3** See my face in the town that's flashing by
See me standing at the station in the rain
See me standing there beside the car
I left it all behind, again I'll travel far
It took me a long time to get back on the train
- V4** When I jumped off, I had a bucket full of thoughts
When I first jumped off, I held that bucket in my hand
Ideas that would take me all around the world
I stood and watched the smoke behind the mountains curl
It took me a long time to get back on the train
It took me a long time to get back on the train
It took me a long time to get back on the train

Backwards Down the Number Line

Phish

V1 Happy happy oh my friend, Blow out candles once again
Leave the presents all inside, Take my hand and let's take a ride
Backwards down the number line
You were eight and I was nine. Do you know what happened then?
Do you know why we're still friends? Laughing all these many years
We pushed through hardships tasted tears, Made a promise one to keep
 I can still recite it in my sleep
Every time a birthday comes, Call your friend and sing a song
Or whisper it into his ear, Or write it down, just don't miss a year

Chorus You decide what it contains, How long it goes but this remains
The only rule is it begins, Happy happy oh my friend
And all my friends come backwards down the number line (x3)

Bridge Em D C Em D C

V2 And when I see you coming down the line with eyes wide open
Somewhere in between the past and future, where you drift in time
You can see a different point of view

Outro Repeat Chorus 2x
Jam -> Repeat Chorus

Blaze On

Phish

V1 Climb that hill, stay on your feet
Scramble for your footing when it gets too steep
You're on the highway now with higher hopes
While all around are rolling eggs with living yokes
You never get too sad, you never get too blue
It must be all the chemtrails raining down on you
The justice of the peace can't help you anymore
And they just took the covers off the justice of war

Chorus You got your nice shades on, and the worst days are gone,
So now the band plays on, you've got one life, blaze on!
You got your nice shades on, and the worst days are gone
So now the band plays on, you've got one life, blaze on!

Leo! | F C G C | F C G C |

V2 The storm is passing through, lay down your sticks and stones
The struggle's over now, we're all just flesh and bones
We were wrong before, it was wrong to trust
The shadows cast were only light and dust
And then one day you'll find to your intense delight
That 3 wrong turns can really make a right
So why not be like me? Be proud of all your crimes
Cause when i screw up once, I do it 2 more times

Chorus

V3 And we'll be dancing in the fields, running through the moor,
Tripping on the barbed wire, buried near the shore.
Blazing like a comet brighter than the full moon.
So you better get ready, cause a change is coming soon,
I met a liar, called the messiah, I got the frying pan, I wanted fire,
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.

Chorus

Jam Bb -> C riff into jam in C.

Outro Bb -> C riff and "Blaze On" repeated.

**Joy
Phish**

V1 Joy is over there in her incredible clothes
She has silver silk shimmering down to her toes
I was doing the best that I can I suppose
But that little girl dancer eventually grows
Well she grows

V2 You can't imagine all the times that I've tried
To uncover the source of the tears that you cried
Let's throw it away and just go for a ride
And you'd say okay but you'd keep it inside
And I tried, I tried, I tried, I tried

Chorus We want you to be happy, don't live inside the gloom
We want you to be happy, come step outside your room
We want you to be happy, cause this is your song too

V3 I never thought I could have it so good,
You were the song that my soul understood
But time is a river that flows through the woods
And it led us to places we both understood
Would be gone before too long, would be gone before too long

V4 When we were young we thought life was a game
But then somebody leaves you and you're never the same
All of the places that people belong
To the puzzle but one of the pieces is gone
And it's you, it's you, it's you, Joy it's you
Chorus

V5 In time we'll weather this storm
Inside together you'll see the change
When the sun shines through
Chorus

Miss You

Phish

Intro |: F# / E B :|

V1 You're smiling at me, from your picture frame,
and I miss you
My life keeps on changing, but you stay the same,
and I miss you
So many moments, that we should have shared,
I miss you
And the days turn to years, and it hasn't stopped yet
The memories we shared, I will never forget
No I will never forget

V2 There's a hole in my heart, that'll never be filled, I miss you
This all should get easier, but it never will, I miss you
I float through the days, and the long lonely nights, I miss you
And I hear your footsteps, you're coming down the stairs
Lost in your laughter, the sun in your hair
A brief recollection, the light in your eyes,
I see the reflection, but it passes by
It passes me by

Solo (solo over bridge chords)
B B A E

V3 You're smiling at me, from your picture frame, I miss you
Every morning I wake up, and I whisper your name, I miss you
You're in faces of people, I see on the street
You're everywhere (x3)

More Phish

- V1** Life in slow motion, feet are in the clay
I'm going nowhere, been standing here all day
I had a notion, there was something more to do
As I watched the water, from the banks of the river it swelled and grew
And I tilt to the left, lean to the right, tilt to the left and lean to the right
Walked on coal and slept on glass, amid swords of sound and daggers of light
And my heart is screaming,
cause half of what I say is lies, and it takes so much to keep up this disguise
It takes so much to keep up this disguise
- V2** I see a doorway in the haze and I'm trying to get to it
The stars are peepholes in a wall but we can walk through it
The memory is still so real, the memory's still so real
I guess it's never really over even when it's over
- Chorus** But I'm vibrating with love and light, pulsating with love and light
in a world gone mad, a world gone mad, there must be something more than this
I'm vibrating with love and light, pulsating with love and light
in a world gone mad, a world gone mad, there must be something more than this
- V3** The trumpet call is sounding, the trees are bending low
There's a great fire in the distance, there must be something more than this
And our shadows will all be dancing, with red dust on our clothes
And we'll leave by tornado, elbows in the clouds and feet in the sky
- Chorus
- V4** Ohhhh ohhhh ohhhh, woah ohhh ohh ohh ohhh ohhh
Ohhhh ohhhh ohhhh, woah ohhh ohh ohh ohhh ohhh
- Jam
- Chorus

Mountains in the Mist

Phish

- V1** Several times unconsciously I've stumbled on the path
And seen a mountain in the mist
As rain falls on my shoulders, sun rises in the east
I'm worn and bruised, but I am here at least
- V2** I guess I'm just an obstacle a thing to overcome
If I can sneak around myself again I'll know I've won
The moment seems to hang and float before me with no end
til I'm released, awakened beast, I'm on the road again
- Chorus** But now I'm soaring far too high
A fleck of dust up in the sky where
tiny clouds go sailing by
Pull me down today
- V3** Woven in the fairy tales we fabricate each day
Are little golden strands of truth that glimmer in the light
The colorful material you hold a certain way
Can keep us from the cold and help to get us through the night
Chorus

Possum

Phish

V1 I come from atop the mountain baby where the people come to pray
I come from atop the mountain baby where the people come to pray
There ain't no truth in action 'less you believe it anyway

V2 I was riding down the road one day and someone hit a possum
I was riding down the road one day and someone hit a possum
The road was his end, his end was the road, so they say

Chorus Whoa possum, possum, possum... POSSUM.
Whoa possum, possum, possum... POSSUM.
Whoa possum, your end is the road

Waste Phish

Chords | D Dmaj7 D7 | G Gm D |

V1 Don't want to be an actor, pretending on the stage
Don't want to be a writer, with my thoughts out on the page
Don't want to be a painter, 'cause everyone comes to look
Don't want to be anything where my life's an open book
A dream, it's true, but I'd see it through.
If I could be (if I could be) wasting my time with you.

V2 Don't want to be a farmer, working in the sun,
Don't want to be an outlaw, always on the run,
Don't want to be a climber, reaching for the top,
Don't want to be anything where I don't know when to stop.
A dream, it's true but I'd see it through.
If I could be (if I could be) wasting my time with you.

Bridge So if I'm inside your head,
don't believe what you might have read,
You'll see what I might have said, to hear it
Come waste your time with me (x4)

V4 (Repeat bridge)

Wolfman's Brother

Phish

Intro | Bb / Gm Ab |

V1 It was many years ago now
I really can't be sure
Cause when it all began then
I heard that knock upon my door.
It's the Wolfman's Brother, the Wolfman's Brother
Comin' down on me.

V2 The telephone was ringing
That's when I handed it to Liz
She said, "This isn't who it would be
If it wasn't who it is"
It's the Wolfman's Brother, the Wolfman's Brother
Comin' down on me.

V3 So I might be on a side street
Or a stairway to the stars
I hear the high pitched cavitation
Of propellers from afar
It's the Wolfman's Brother, the Wolfman's Brother
It's the Wolfman's Brother, the Wolfman's Brother
It's the Wolfman's Brother, the Wolfman's Brother
Comin' down on me.

Bridge So in meaningless excitement.
through the total sound.
It's like a cross between a hurricane.
It's like a ship that's running ground
It's the Wolfman's Brother, the Wolfman's Brother
It's the Wolfman's Brother, the Wolfman's Brother
It's the Wolfman's Brother, the Wolfman's Brother
Comin' down on...comin' down on me.
