

Mountains in the Mist

Phish

V1 G C G Bb C
Several times unconsciously I've stumbled on the path
Am G D Bb C F
And seen a mountain in the mist
G C G Bb C
As rain falls on my shoulders, sun rises in the east
Am G C D G Bb Am C Eb Bb
I'm worn and bruised, but I am here at least

V2 I guess I'm just an obstacle a thing to overcome
If I can sneak around myself again I'll know I've won
The moment seems to hang and float before me with no end
til I'm released, awakened beast, I'm on the road again

Chorus Eb Bb
But now I'm soaring far too high
Bbm F
A fleck of dust up in the sky where
Dm C
tiny clouds go sailing by
Bb C
Pull me down today

V3 Woven in the fairy tales we fabricate each day
Are little golden strands of truth that glimmer in the light
The colorful material you hold a certain way
Can keep us from the cold and help to get us through the night
Chorus
