

# Mystery Train

## Junior Parker

- V1** Train I ride, sixteen coaches long.  
Train I ride, sixteen coaches long.  
The woman I love, she's on that train and gone.
- V2** Train, train, rollin' down the track.  
Train, train, rollin' down the track.  
It took away my baby, and it's never comin' back.
- Bridge** Well I went down to the station, to meet my baby at the gate  
Asked the station master, "Is your train running late?"  
She said she'd be waiting on the 4:44  
Well, I hate to tell you boy, that train don't stop here any more.
- V3** Train train, rolling 'round the bend.  
Train train, rolling 'round the bend.  
It took away my baby, I'll never see her again.
- Lead** (Through chords)

Well, I hate to tell you boy, that train don't stop here any more.
- V4** Train train, rolling 'round the curve.  
Train train, rolling 'round the curve.  
It took away my baby, guess I got what I deserve.
