

# Blaze On

Phish

- V1
- Climb that hill, stay on your feet  
Scramble for your footing when it gets too steep  
You're on the highway now with higher hopes  
While all around are rolling eggs with living yokes  
You never get too sad, you never get too blue  
It must be all the chemtrails raining down on you  
The justice of the peace can't help you anymore  
And they just took the covers off the justice of war
- Chorus
- You got your nice shades on, and the worst days are gone,  
So now the band plays on, you've got one life, blaze on!  
You got your nice shades on, and the worst days are gone  
So now the band plays on, you've got one life, blaze on!
- Break
- "Leo!"
- V2
- The storm is passing through, lay down your sticks and stones  
The struggle's over now, we're all just flesh and bones  
We were wrong before, it was wrong to trust  
The shadows cast were only light and dust  
And then one day you'll find to your intense delight  
That 3 wrong turns can really make a right  
So why not be like me? Be proud of all your crimes  
Cause when i screw up once, I do it 2 more times
- (Chorus)
- V3
- And we'll be dancing in the fields, running through the moor,  
Tripping on the barbed wire, buried near the shore.  
Blazing like a comet brighter than the full moon.  
So you better get ready, cause a change is coming soon,  
I met a liar, called the messiah, I got the frying pan, I wanted fire,  
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.
- (Chorus)
- Jam
- Jam in C.
- Outro
- Bb -> C riff and "Blaze On" repeated.
