             Which did you think I meant? It doesn't matter to me.

             Ends in F to start chorus.

Chorus     Bug, Don't need it. Bug, Don't feed it. Bug, Thoughts faded. Overrated

V2          Gold in my hand in a country pool  
             Standing and waving, the rain, wind on the runway  
             Spending or saving, credit or death  
             Which did you think I meant? Nothing I see can be taken from me.
