

More Phish

V1

Life in slow motion, feet are in the clay

I'm going nowhere, been standing here all day

I had a notion, there was something more to do

As I watched the water, from the banks of the river it swelled and grew

And I tilt to the left, lean to the right, tilt to the left and lean to the right

Walked on coal and slept on glass, amid swords of sound and daggers of light

And my heart is screaming,

cause half of what I say is lies, and it takes so much to keep up this disguise

It takes so much to keep up this disguise

V2

I see a doorway in the haze and I'm trying to get to it

The stars are peepholes in a wall but we can walk through it

The memory is still so real, the memory's still so real

I guess it's never really over even when it's over

G F

Chorus But I'm vibrating with love and light, pulsating with love and light

C

in a world gone mad, a world gone mad, there must be something more than this

G F

I'm vibrating with love and light, pulsating with love and light

C

in a world gone mad, a world gone mad, there must be something more than this

V3 G D
The trumpet call is sounding, the trees are bending low

 F C
There's a great fire in the distance, there must be something more than this

 G D
And our shadows will all be dancing, with red dust on our clothes

 F C
And we'll leave by tornado, elbows in the clouds and feet in the sky
