# Joy Phish

**V1** Joy is over there in her incredible clothes  
She has silver silk shimmering down to her toes  
I was doing the best that I can I suppose  
But that little girl dancer eventually grows  
Well she grows

**V2** You can't imagine all the times that I've tried  
To uncover the source of the tears that you cried  
Let's throw it away and just go for a ride  
And you'd say okay but you'd keep it inside  
And I tried, I tried, I tried, I tried

**Chorus** We want you to be happy, don't live inside the gloom  
We want you to be happy, come step outside your room  
We want you to be happy, cause this is your song too

**V3** I never thought I could have it so good,  
You were the song that my soul understood  
But time is a river that flows through the woods  
And it led us to places we both understood  
Would be gone before too long, would be gone before too long

**V4** When we were young we thought life was a game  
But then somebody leaves you and you're never the same  
All of the places that people belong  
To the puzzle but one of the pieces is gone  
And it's you, it's you, it's you, Joy it's you  
*Chorus*

**V5** In time we'll weather this storm  
Inside together you'll see the change  
When the sun shines through  
*Chorus*

# Loving Cup

## Rolling Stones

- Intro** Piano: | G C | G C |
- V1** I'm the man on the mountain, come on up  
I'm the plowman in the valley with a face full of mud  
Yes I am fumbling and I know my car won't start  
Yes I am stumbling and I know I play a bad guitar  
Give me little drink from your loving cup  
Just one drink and I'll fall down .... drunk
- V2** I'm the man who walks the hillside in the sweet summer sun  
I'm the man who brings you roses when you ain't got none  
Well, I can run and jump and fish, but I won't fight  
You if you want to push and pull with me all night  
Give me little drink from your loving cup  
Just one drink and I'll fall down drunk
- Bridge** I feel so humble with you tonight just sitting in front of the fire  
See your face dancing in the flame, feel your mouth kissing me again  
What a beautiful buzz, what a beautiful buzz  
What a beautiful buzz, what a beautiful buzz  
Ohhhhh, what a beautiful buzz, what a beautiful buzz
- V3** Yes, I am nitty gritty and my shirt's all torn  
But I would love to spill the beans with you till dawn  
Give me little drink from your loving cup  
Just one drink and I'll fall down ...drunk
- B2** Gimme little drink x many
- Jam** Jam in G.

# Mountains in the Mist

Phish

- V1** Several times unconsciously I've stumbled on the path  
And seen a mountain in the mist  
As rain falls on my shoulders, sun rises in the east  
I'm worn and bruised, but I am here at least
- V2** I guess I'm just an obstacle a thing to overcome  
If I can sneak around myself again I'll know I've won  
The moment seems to hang and float before me with no end  
til I'm released, awakened beast, I'm on the road again
- Chorus** But now I'm soaring far too high  
A fleck of dust up in the sky where  
tiny clouds go sailing by  
Pull me down today
- V3** Woven in the fairy tales we fabricate each day  
Are little golden strands of truth that glimmer in the light  
The colorful material you hold a certain way  
Can keep us from the cold and help to get us through the night  
*Chorus*

# **Possum**

**Phish**

**V1 I come from atop the mountain baby where the people come to pray  
I come from atop the mountain baby where the people come to pray  
There ain't no truth in action 'Less you believe it anyway**

**V2 I was riding down the road one day and someone hit a possum  
I was riding down the road one day and someone hit a possum  
The road was his end, his end was the road, so they say**

**Chorus Whoa possum, possum, possum... POSSUM.  
Whoa possum, possum, possum... POSSUM.  
Whoa possum, your end is the road**

# Wolfman's Brother

## Phish

**Intro** | Bb / Gm Ab |

**V1** It was many years ago now  
I really can't be sure  
Cause when it all began then  
I heard that knock upon my door.  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on me.

**V2** The telephone was ringing  
That's when I handed it to Liz  
She said, "This isn't who it would be  
If it wasn't who it is"  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on me.

**V3** So I might be on a side street  
Or a stairway to the stars  
I hear the high pitched cavitation  
Of propellers from afar  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on me.

**Bridge** So in meaningless excitement.  
through the total sound.  
It's like a cross between a hurricane.  
It's like a ship that's running ground  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on...comin' down on me.
