Back on the Train

Phish

F9

V1 When I jumped off, I had a bucket full of thoughts
Bb Ab
When I first jumped off, I held that bucket in my hand
F9
Ideas that would take me all around the world
Bb Ab
I stood and watched the smoke behind the mountain curl
Eb Bb Ab F9
It took me a long time to get back on the train

V2 Now I'm gone and I'll never look back again
I'm gone and I'll never look back at all
You know I'll never look back again
I turn my face into the howlin' wind
It took me a long time to get back on the train

V3 See my face in the town that's flashing by
See me standing at the station in the rain
See me standing there beside the car
I left it all behind, again I'll travel far
It took me a long time to get back on the train

V4 When I jumped off, I had a bucket full of thoughts
When I first jumped off, I held that bucket in my hand
Ideas that would take me all around the world
I stood and watched the smoke behind the mountains curl
It took me a long time to get back on the train
It took me a long time to get back on the train
It took me a long time to get back on the train

A E7 A

V1 I met her accidentally in St. Paul, Minnesota,
She tore me up every time I heard her drawl that southern drawl.
Well I heard my dream went back downstream, cavortin' in Davenport,
And I followed you big river when you called.

Chorus

V2 Well I followed her down to St. Lou, later on down the river,
Trader said she's been here, but she's gone, boy, she's gone.
Well I followed her down to Memphis, but she just walked off the bus,
She raised a few eyebrows and she went on down alone.

Chorus

V3 Well I've gotten on down to Baton Rouge, River Queen roll on,
Take that woman down to New Orleans, New Orleans.
I give up, I've had enough, followed my blues on down to the gulf,
She loves you big river more than me.

Franklin's Tower

Grateful Dead

Intro ||: A G/D G/A :||

V1 In another time's forgotten space
Your eyes looked from your mother's face
Wildflower seed on the sand and stone
May the four winds blow you safely home
Roll away the dew (4x)

V2 I'll tell you where the four winds dwell
In Franklin's tower there hangs a bell
It can ring, turn night to day
It can ring like fire when you lose your way
Roll away the dew (4x)

V3 God save the child that rings that bell
It may have one good ring baby, you can't tell
One watch by night, one watch by day.
If you get confused listen to the music play

Lead rip it

V4 Some come to laugh their past away
Some come to make it just one more day
Whichever way your pleasure tends
If you plant ice you're gonna harvest the wind.
Roll away the dew (4x)

V5 In Franklin's tower the four winds sleep
Like four lean hounds, the lighthouse keep
Wildflower seed on the sand and wind
May the four winds blow you home again
Roll away the dew (8-12x)
