

Hungersite

Goose

V1 **Hope. It's bent like rope. Oh, I'm growing tired**
Of hauling on yesterday
Closed. Is that how it goes. Well I might be rusted
But brother, I'm here to stay

Chorus **Is it time to shed our weapons yet my friend**
Is it love we've drawn away in our groundless low
Can we step out of the wreckage yet my friend
Running all against their hungry sight
Hanging on, they've taken all, but we won't lay that down

Solo 1 **Over F / Eb / F**

V2 **Breath. Don't it let. Just a little closer**
I know it's now nearing view
There. It's only air. Nothing tethered to the garment
We're climbing through

Chorus

Jam **Over F / Eb / F**

Chorus
