V1 You tell me this town ain't got no heart
 The sunny side of the street is dark
 Maybe that's cause it's midnight,
 In the dark of the moon besides.
 Maybe the dark is from your eyes (x3)
 You know you got such dark eyes!

Chorus Nothing shaking on Shakedown Street
 Used to be the heart of town
 Don't tell me this town ain't got no heart.
 You just gotta poke around.

V2 You think you've seen this town clear through
 Nothin' here that could interest you
 It's not because you missed out
 On the thing that we had to start.
 Maybe you had too much too fast (x3)
 Or just over played your part.

Chorus
Short lead

V3 Since I'm passing your way today
 I just stopped in 'cause I want to say
 I recall your darkness
 When it crackled like a thundercloud.
 Don't tell me this town ain't got no heart (x3)
 When I can hear it beat out loud!

Chorus

The bottle was dusty but the liquor was clean.
Sound of the thunder with the rain falling down,
And it looks like the old man's getting on.

V1 When I jumped off, I had a bucket full of thoughts
When I first jumped off, I held that bucket in my hand

It took me a long time to get back on the train

V2 Now I'm gone and I'll never look back again

I turn my face into the howlin' wind
It took me a long time to get back on the train

To a double-E waterfall over my back.

Intro || : A G/D G/A : ||

V1 In another time's forgotten space
Your eyes looked from your mother's face
Wildflower seed on the sand and stone
May the four winds blow you safely home
Roll away the dew (4x)

V2 I'll tell you where the four winds dwell
In Franklin's tower there hangs a bell
It can ring, turn night to day
It can ring like fire when you lose your way
Roll away the dew (4x)

V3 God save the child that rings that bell
It may have one good ring baby, you can't tell
One watch by night, one watch by day.
If you get confused listen to the music play

Some come to make it just one more day
Whichever way your pleasure tends
If you plant ice you're gonna harvest the wind.
Roll away the dew (4x)

Like four lean hounds, the lighthouse keep
Wildflower seed on the sand and wind

Jack Straw

Grateful Dead

Key: E
Tempo: 70
Vocals: PJ

V1 We can share the women, we can share the wine
We can share what we've got of yours 'cause we done shared all of mine.
Keep on rollin', just a mile to go,
Keep on rollin', my old buddy, you're movin' much too slow.

I just jumped the watchman, right outside the fence,
Took his rings, four bucks in change, ain't that heaven sent?
Hurts my ears to listen, Shannon, burns my eyes to see,
Cut down a man in cold blood, Shannon, might as well been me.

We used to play for silver, now we play for life;
And one's for sport and one's for blood at the point of a knife.
And now the die is shaken, now the die must fall;
There ain't no winner in the game, he don't go home with all,
Not with all.

V2 Leavin' Texas, fourth day of July,
Sun so hot, the clouds so low, the eagles filled the sky.
Catch the Detroit Lightning out of Santa Fe,
The Great Northern out of Cheyenne from sea to shining sea.

Gotta go to Tulsa, first train we can ride,
Got to settle one old score, one small point of pride.
Ain't no place a man can hide, Shannon, to keep him from the sun;
Ain't no bed can give us rest, now, you keep us on the run.

Jack Straw from Wichita cut his buddy down,
And dug for him a shallow grave and laid his body down.
Half a mile from Tuscon, by the morning light,
One man gone and another to go, my old buddy you're moving much too slow.

Outro We can share the women, we can share the wine.
