If I Could

Phish

V1	Take me to another place she said, Take me to another time Run with me across the oceans, Float me on a silver cloud
Chorus	If I could I would, but I don't know how, If I could I would, but I don't know how If I could I would, and I'd take you now
Interlude	G9 arpeggio
V2	Stay with me till time turns over I wanna feel my feet leave the ground Take me where the whispering breezes can Lift me up and spin me around <i>Chorus</i>
V3	Hear you laughing as we go (i'd take you now) Flipping backwards through the doors and through the windows (i'd take you now) I'm melting into nothing <i>Chorus 2x</i>

Mountains in the Mist

Phish

- V1** Several times unconsciously I've stumbled on the path
And seen a mountain in the mist
As rain falls on my shoulders, sun rises in the east
I'm worn and bruised, but I am here at least
- V2** I guess I'm just an obstacle a thing to overcome
If I can sneak around myself again I'll know I've won
The moment seems to hang and float before me with no end
til I'm released, awakened beast, I'm on the road again
- Chorus** But now I'm soaring far too high
A fleck of dust up in the sky where
tiny clouds go sailing by
Pull me down today
- V3** Woven in the fairy tales we fabricate each day
Are little golden strands of truth that glimmer in the light
The colorful material you hold a certain way
Can keep us from the cold and help to get us through the night
Chorus

Wingsuit

Phish

- V1** **Steal away, let's steal a car**
You'll never win a major only shooting par
Step outside, feel the sun
It's only you, be you, cause you're the only one
- Pre-chorus** **And it feels good**
Cause it feels good
And it feels good
- V2** **Nothing lasts, nothing stays**
Caught in this procession of unchanging days
What's new is old, what's old is gone
You're pushed up to the edge so put your wingsuit on
- Chorus** **And gliding away you fly where you choose**
There's nothing to say and nothing to lose
- V4** **Steal away, paint the sky**
Put your wingsuit on (4x)
And gliding away you fly where you choose
There's nothing to say and nothing to lose
(single guitar notes)
G A Bb D E F Bb
G A Bb D E F
Time to put your wingsuit on
- Outro** **Gm Am Bb C**
Gm Am Bb

**Joy
Phish**

V1 Joy is over there in her incredible clothes
She has silver silk shimmering down to her toes
I was doing the best that I can I suppose
But that little girl dancer eventually grows
Well she grows

V2 You can't imagine all the times that I've tried
To uncover the source of the tears that you cried
Let's throw it away and just go for a ride
And you'd say okay but you'd keep it inside
And I tried, I tried, I tried, I tried

Chorus We want you to be happy, don't live inside the gloom
We want you to be happy, come step outside your room
We want you to be happy, cause this is your song too

V3 I never thought I could have it so good,
You were the song that my soul understood
But time is a river that flows through the woods
And it led us to places we both understood
Would be gone before too long, would be gone before too long

V4 When we were young we thought life was a game
But then somebody leaves you and you're never the same
All of the places that people belong
To the puzzle but one of the pieces is gone
And it's you, it's you, it's you, Joy it's you
Chorus

V5 In time we'll weather this storm
Inside together you'll see the change
When the sun shines through
Chorus

Miss You

Phish

- V1** You're smiling at me, from your picture frame,
and I miss you
My life keeps on changing, but you stay the same,
and I miss you
So many moments, that we should have shared,
I miss you
And the days turn to years, and it hasn't stopped yet
The memories we shared, I will never forget
No I will never forget
- V2** There's a hole in my heart, that'll never be filled, I miss you
This all should get easier, but it never will, I miss you
I float through the days, and the long lonely nights, I miss you
And I hear your footsteps, you're coming down the stairs
Lost in your laughter, the sun in your hair
A brief recollection, the light in your eyes,
I see the reflection, but it passes by
It passes me by
- Solo** (solo over bridge chords)
B B A E
- V3** You're smiling at me, from your picture frame, I miss you
Every morning I wake up, and I whisper your name, I miss you
You're in faces of people, I see on the street
You're everywhere (x3)

Outro F# F# E B (x2)

Squirming Coil

Phish

V1 The squirming coil of sunset I keep within my reach
Tried yesterday to get away and hitchhiked to the beach
I saw Satan on the beach trying to catch a ray
He wasn't quite the speed of light and the squirming coil
It got away, It got away (4x)

Interlude 1

V2 The muscles flex the mother's ring, she fastens children to her king
And sends him down the crooked street, When he returns, the birth's complete
Jimmy holds the Tannis root, the forest's tasty nectar shoot
The sun tips off the monarch's suit from sequined sash to shiny boot
"I'd like to lick the coil some day, like Iccarus, who had to pay
with melting wax and feathers brown, he tasted it on his way down"
Stun the puppy! Burn the whale!
Bark a scruff and go to jail! Forge the coin and lick the stamp!
Little Jimmy's off to camp

Interlude 2

Outro It got away, It got away (repeat)
(Piano Jam: F C G)
