

Many Rivers to Cross

Jimmy Cliff

V1

G **Bm** **C**
Many rivers to cross
B7 **C** **D** **G**
But I can't seem to find my way over
Bm **C**
Wandering I am lost
B7 **C** **D** **G**
As I travel along the white cliffs of Dover

V2

Many rivers to cross
And it's only my will that keeps me alive
I've been licked, washed up for years
And I merely survived because of my pride.

Chorus

C **G**
And this loneliness won't leave me alone
C **G**
It's such a drag to be on your own
C **G** **Em**
My woman left me and she didn't say why
C **D**
So I guess I have to try

(Repeat V1, V2, and Chorus)
