

# Second That Emotion

Smokey Robinson

*Intro: E E / D D / A A*

V1      A  
Maybe you want to give me kisses sweet  
A  
But only for one night with no repeat  
A  
And maybe you'll go away and never call  
D                      E                      A  
A taste of honey is worse than none at all

Chorus      A      D                                      A  
Oh in that case I don't want no part  
D                                      A  
That that would only break my heart  
A  
But if you feel like lovin' me  
D                                      A  
If you got the notion, I second that emotion  
A                                      E                      D  
If you feel like givin' me a lifetime of devotion  
A              E E D D A A  
I second that emotion

V2      Maybe you think that love would tie you down  
You don't have the time to hang around  
Maybe you think that love was made for fools  
And so it makes you wise to break the rules

*(Chorus)*

*(Lead)*

*(V1 Repeated)*
