V1	It was many years ago now	

**V1** It was many years ago now  
I really can't be sure  
Cause when it all began then  
I heard that knock upon my door.  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on me.

**V2      The telephone was ringing  
That's when I handed it to Liz  
She said, "This isn't who it would be  
If it wasn't who it is"  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on me.**

**V3**      So I might be on a side street  
              Or a stairway to the stars  
              I hear the high pitched cavitation  
              Of propellers from afar  
              It's the Wolfman's Brother, the Wolfman's Brother  
              It's the Wolfman's Brother, the Wolfman's Brother  
              It's the Wolfman's Brother, the Wolfman's Brother  
              Comin' down on me.

**Bridge** So in meaningless excitement.  
through the total sound.  
It's like a cross between a hurricane.  
It's like a ship that's running ground  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on...comin' down on me.
