# Back on the Train

## Phish

F9

V1 When I jumped off, I had a bucket full of thoughts  
Bb Ab  
When I first jumped off, I held that bucket in my hand  
F9  
Ideas that would take me all around the world  
Bb Ab  
I stood and watched the smoke behind the mountain curl  
Eb Bb Ab F9  
It took me a long time to get back on the train

V2 Now I'm gone and I'll never look back again  
I'm gone and I'll never look back at all  
You know I'll never look back again  
I turn my face into the howlin' wind  
It took me a long time to get back on the train

V3 See my face in the town that's flashing by  
See me standing at the station in the rain  
See me standing there beside the car  
I left it all behind, again I'll travel far  
It took me a long time to get back on the train

V4 When I jumped off, I had a bucket full of thoughts  
When I first jumped off, I held that bucket in my hand  
Ideas that would take me all around the world  
I stood and watched the smoke behind the mountains curl  
It took me a long time to get back on the train  
It took me a long time to get back on the train

Thinking back, I still remember  
I was proud to be his friend
