**G**  
Mary run around, sailin' up and down,

Looking for a show in some direction.

Lord, you know they made a fine connection. They love each other,

**V2      He could pass his time, around some other line  
But you know he chose this place beside her.  
Don't get in their way, there's nothing you can say,  
Nothing they need to add or do. They love each other.**

**V3** It's nothing they explain, it's like a diesel train  
You better not be there when it rolls over.  
And when that train rolls in you don't know where it's been,  
You gotta try and see a little further. They love each other.

Loose with the truth baby it's your fire, but baby don't get burned.

V1

B A  
Long distance runner, what you standin' there for?

B A  
Get up, get out, get out of the door

B A  
Your playin' cold music on the barroom floor

B A  
Drowned in your laughter and dead to the core.

B A  
There's a dragon with matches that's loose on the town

B A  
Takes a whole pail of water just to cool him down.

B A  
Fire! fire on the mountain!

Lead      MV   Lead

**V2      Almost ablaze still you don't feel the heat  
It takes all you got just to stay on the beat.  
You say it's a livin', we all gotta eat  
But you're here alone, there's no one to compete.  
If mercy's a business, i wish it for you  
More than just ashes when your dreams come true.  
Fire! fire on the mountain!**

Lead PJ -> JM

**V3      Long distance runner, what you holdin' out for?  
Caught in slow motion in a dash for the door.  
The flame from your stage has now spread to the floor  
You gave all you had. why you want to give more?  
The more that you give, the more it will take  
To the thin line beyond which you really can't fake.  
Fire! fire on the mountain!**

- V1**      **Bm**      **A**                      **E**                      **A**  
Picture a bright blue ball just spinning, spinning free  
**Bm** **G**      **A**  
Dizzy with eternity.  
**E**                                      **A**                      **E**  
Paint it with a skin of sky, brush in some clouds and sea  
            **Bm**                      **A**  
Call it home for you and me.
- V2**      A peaceful place or so it looks from space  
A closer look reveals the human race.  
Full of hope, full of grace, is the human face.  
But afraid, we may our lay home to waste.
- E**  
**Chorus 1**    There's a fear down here we can't forget, hasn't got a name just yet  
Always awake, always around, singing ashes, ashes all fall down
- V3**      Now watch as the ball revolves and the nighttime falls  
And again the hunt begins and again the blood wind calls  
By and by again, the morning sun will rise  
But the darkness never goes from some men's eyes.
- V4**      It strolls the sidewalks and it roams the streets  
Staking turf, dividing up meat.  
Nightmare spook, piece of heat,  
It's you and me, you and me.
- Chorus 2**   Click flash blade in ghetto night, Rudies looking for a fight.  
Rat cat alley roll them bones, Need that cash to feed that jones  
And the politicians throwing stones  
Singing ashes, ashes all fall down, ashes, ashes all fall down
- Break 1**    **C#m**                      **A**                      **E**  
Commisars and pinstripe bosses roll the dice  
**Bm**                                      **E**                      **Bm A E**  
Any way they fall guess who gets to pay the price.  
**E**                                      **A**                      **E**  
Money green or proletarian grey  
            **D**                      **A**  
Selling guns instead of food today.
- Chorus 3**    So the kids they dance, they shake their bones  
And the politicians throwing stones  
Singing ashes, ashes all fall down, ashes, ashes, all fall down
- Lead**      **Through V1 chords**

**V6**      **Bm**                      **A**                      **E**  
Heartless powers try to tell us what to think  
**Bm**    **E**                      **Bm A E**  
If the spirit's sleeping, then the flesh is ink.  
**E**    **A**                      **E**  
And history's page, it is thusly carved in stone  
**Bm**    **A**  
The future's here, we are it, we are on our own, on our own (8 bars)

**Bm**    **E**                      **Bm A E**  
No one left to place or take the blame.  
**E**    **A**                      **E**  
Will we leave this place an empty stone?  
**D**    **A**  
Or a shining ball of blue we can call our home?

**Chorus 4**      So the kids they dance, they shake their bones  
And the politicians throwing stones  
Singing ashes, ashes all fall down, ashes, ashes all fall down

**Vocal**      Shooting powders back and forth  
Singing "black goes south while white comes north"  
And the whole world full of petty wars  
Singing "I got mine and you got yours."  
  
And the current fashions set the pace.  
Lose your step, fall out of grace.  
And the radical he rant and rage,  
Singing "someone got to turn the page"  
  
And the rich man in his summer home,  
Singing "Just leave well enough alone"  
But his pants are down, his cover's blown  
And the politicians throwing stones  
So the kids they dance they shake their bones  
Cause it's all too clear we're on our own  
Singing ashes, ashes all fall down, ashes, ashes all fall down

**V8**      **Bm**              **A**    **E**    **A**  
Picture a bright blue ball just spinning, spinning free
