V1 Mr. Palmer is concerned with the thousand-dollar question
 Just like Roger he's a crazy little kid
 I've got the time if you've got the inclination
 So cheer up Palmer, you'll soon be dead

V2 The noose is hanging, at least you won't die wondering
 Sit up and take notice Tell it like it is
 If I were near you I wouldn't be far from you
 I've got a feeling you know what you did

 Put 'em in a field and let 'em fight it out
 I'm running so fast my feet don't touch the ground
 I'm a stranger here I'm going down

 Let's get this show on the road
 I'll show you mine if you show me yours
 I'm breathing hard - open the door

- V1 From out of the chaos a wave appears
In the moonlit confusion

As the night wheels turn
Shipwrecks sway, steel mast crashes, spin green sky

Bouncing Round The Room

Phish

Key: D
Tempo: 100
Vocals:

V1

The woman was a dream I had though rather hard to keep
For when my eyes were watching hers they closed, and I was still asleep.
For when my hand was holding hers she whispered words and I awoke
And faintly bouncing round the room, the echo of whomever spoke and I awoke
And faintly bouncing round the room, the echo of whomever spoke.

V2

The place I sought was far beneath the surface of the sea,
My sight was poor but I was sure the sirens sang their songs for me.
They dance above me as I sink, I see them through a crystal haze
And hear the sweet sound bouncing round, the never ending coral maze.
The crystal haze and hear them bouncing round the room, the never ending coral maze

Bridge

Then before and now once more I'm bouncing around the room.

A Part

That time then and once again, I'm bouncing round the room
That time then and once again, I'm bouncing round the room

B Part

And I awoke, faintly bouncing round the room,
The echo of whomever spoke.

- V1 If you can heal the symptoms but not affect the cause
It's quite a bit like trying to heal a gunshot wound with gauze
If you instead attempt to wrest the pistol from the hand
Then I would not be able to equate my life with sand
- V2 Flowing through the hourglass, pushing through the funnel
Turn once more while racing all your siblings for the tunnel
Slide and let the silicone embrace you as you fall
Then bounce and land you let your brothers crush you to the wall
- V3 I would choose my own religion and worship my own spirit
But if he ever preached to me I wouldn't want to hear it
I'd drop him, a forgotten god, languishing in shame
And then if I hit stormy seas I'd have myself to blame
- V4 4X If you can heal the symptoms but not affect the cause, if you can heal the symptoms...

The squirming coil of sunset I keep within my reach
