# Blaze On

Phish

Key: C  
Tempo: 90  
Vocals: PJ

Intro PJ gtr lick > drum fill > add rest (mellow)

V1 Climb that hill, stay on your feet  
Scramble for your footing when it gets too steep  
You're on the highway now with higher hopes  
While all around are rolling eggs with living yokes  
You never get too sad, you never get too blue  
It must be all the chemtrails raining down on you  
The justice of the peace can't help you anymore  
And they just took the covers off the justice of war

Chorus You got your nice shades on, and the worst days are gone,  
So now the band plays on, you've got one life, blaze on!  
You got your nice shades on, and the worst days are gone  
So now the band plays on, you've got one life, blaze on!

Leo! | F C G C | F C G C |

V2 The storm is passing through, lay down your sticks and stones  
The struggle's over now, we're all just flesh and bones  
We were wrong before, it was wrong to trust  
The shadows cast were only light and dust  
And then one day you'll find to your intense delight  
That 3 wrong turns can really make a right  
So why not be like me? Be proud of all your crimes  
Cause when i screw up once, I do it 2 more times  
(Chorus)

V3 And we'll be dancing in the fields, running through the moor,  
Tripping on the barbed wire, buried near the shore.  
Blazing like a comet brighter than the full moon.  
So you better get ready, cause a change is coming soon,  
I met a liar, called the messiah, I got the frying pan, I wanted fire,  
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.  
(Chorus)

Jam Bb -> C riff into jam in C.

Outro Bb -> C riff and "Blaze On" repeated.

# Bertha

## Grateful Dead

Key: G  
Tempo: 80  
Vocals: JM

- V1 I had a hard run, running from your window.  
I was all night running, Lord I wonder if you care,  
I had a run in, run around in a run down.  
Run around the corner, corner, Lord I ran smack into a tree.
- Chorus I had to move, really had to move,  
That's why if you please, I am on my bended knees,  
Bertha don't you come around here anymore.
- V2 Dressed myself in green, I went down into the sea.  
Try to see what's going down, try to read between the lines.  
I had a feelin' I was fallin', I turned around to see,  
Heard a voice a callin', Lord you was coming after me.
- Lead Verse/Chorus X 2  
Note: Second time through, chorus has vocals
- V3 Ran into a rainstorm, I ducked back into a bar door.  
It's all night pouring but not a drop on me.  
Test me, test me, why don't you arrest me?  
Throw me in the jailhouse until the sun goes down.
- Outro Chorus: ... Anymore X 10

## Wolfman's Brother

## Phish

Intro	Keys: (Slow) Gm > Ab -> drum fill -> (All)   : Bb Gm Ab :	Key: Bb Tempo: 90
V1	It was many years ago now	Vocals: MV

**V1** It was many years ago now  
I really can't be sure  
Cause when it all began then  
I heard that knock upon my door.  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on me.

**V2      The telephone was ringing  
That's when I handed it to Liz  
She said, "This isn't who it would be  
If it wasn't who it is"  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on me.**

**V3**      So I might be on a side street  
              Or a stairway to the stars  
              I hear the high pitched cavitation  
              Of propellers from afar  
              It's the Wolfman's Brother, the Wolfman's Brother  
              It's the Wolfman's Brother, the Wolfman's Brother  
              It's the Wolfman's Brother, the Wolfman's Brother  
              Comin' down on me.

**Bridge** So in meaningless excitement.  
through the total sound.  
It's like a cross between a hurricane.  
It's like a ship that's running ground  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on...comin' down on me.

# Throwing Stones

Grateful Dead

Key: E  
Tempo: 100  
Vocals: JM

- V1      Picture a bright blue ball just spinning, spinning free  
         Dizzy with eternity.  
         Paint it with a skin of sky, brush in some clouds and sea  
         Call it home for you and me.
- V2      A peaceful place or so it looks from space  
         A closer look reveals the human race.  
         Full of hope, full of grace, is the human face.  
         But afraid, we may our lay home to waste.
- Chorus   There's a fear down here we can't forget  
         Hasn't got a name just yet  
         Always awake, always around  
         Singing ashes, ashes all fall down, ashes, ashes, all fall down
- V4      Now watch as the ball revolves and the nighttime falls  
         And again the hunt begins and again the blood wind calls  
         By and by again, the morning sun will rise  
         But the darkness never goes from some men's eyes.
- V5      It strolls the sidewalks and it roams the streets  
         Staking turf, dividing up meat.  
         Nightmare spook, piece of heat,  
         It's you and me, you and me.
- Chorus   Click flash blade in ghetto night, Rudies looking for a fight.  
         Rat cat alley roll them bones, Need that cash to feed that jones  
         And the politicians throwing stones  
         Singing ashes, ashes all fall down, ashes, ashes all fall down
- Bridge   Commisars and pinstripe bosses roll the dice  
         Any way they fall guess who gets to pay the price.  
         Money green or proletarian grey  
         Selling guns instead of food today.
- Chorus   So the kids they dance, they shake their bones  
         And the politicians throwing stones  
         Singing ashes, ashes all fall down, ashes, ashes, all fall down
- Lead 1   **Through verse chords**
- V6      Heartless powers try to tell us what to think  
         If the spirit's sleeping, then the flesh is ink.  
         And history's page, it is thusly carved in stone  
         The future's here, we are it, we are on our own, on our own....
- Jam      **Sampson Jam: A / D / A / A / E / E**  
         **Return: |: Bm / A / E / A / D / A :|**
- V7      C#m            A            E  
         If the game is lost then we're all the same  
         Bm                            E                            Bm A E

No one left to place or take the blame.  
We will leave this place an empty stone  
Or this shining ball of blue we can call our home

**Chorus** So the kids they dance, they shake their bones  
And the politicians are throwing stones  
Singing ashes,ashes all fall down, ashes,ashes all fall down

**V8** Shooting powders back and forth  
Singing "black goes south while white comes north"  
And the whole world full of petty wars  
Singing "I got mine and you got yours."

And the current fashions set the pace.  
Lose your step, fall out of grace.  
And the radical he rant and rage,  
Singing "someone got to turn the page"

And the rich man in his summer home,  
Singing "Just leave well enough alone"  
But his pants are down, his cover's blown  
And the politicians are throwing stones  
So the kids they dance they shake their bones  
Cause its all too clear we're on our own  
Singing ashes,ashes all fall down, ashes,ashes all fall down

**V8** Picture a bright blue ball just spinning, spinning free  
It's dizzying, the possibilities.

Ashes, ashes all fall down.

Drivin' that train, high on cocaine,  
Casey Jones you'd better watch your speed  
Trouble ahead, trouble behind  
And you know that notion just crossed my mind.

This old engine makes it on time  
Leaves central station at a quarter to nine  
Hits River Junction at seventeen to,  
At a quarter to ten you know it's travelin' again

(Chorus)

Trouble ahead, Lady in red  
Take my advice you'd be better off dead  
Switchman's sleeping, train hundred and two is  
On the wrong track and headed for you

(Lead)

Trouble with you is the trouble with me  
Got two good eyes but you still don't see  
Come round the bend, you know it's the end  
The fireman screams and the engine just gleams

(Chorus X 4)

And you know that notion just cross my mind

Form **Just Am, baby.**

- V1 If you can heal the symptoms but not affect the cause  
It's quite a bit like trying to heal a gunshot wound with gauze  
If you instead attempt to wrest the pistol from the hand  
Then I would not be able to equate my life with sand
- V2 Flowing through the hourglass, pushing through the funnel  
Turn once more while racing all your siblings for the tunnel  
Slide and let the silicone embrace you as you fall  
Then bounce and land you let your brothers crush you to the wall
- V3 I would choose my own religion and worship my own spirit  
But if he ever preached to me I wouldn't want to hear it  
I'd drop him, a forgotten god, languishing in shame  
And then if I hit stormy seas I'd have myself to blame

# Eyes Of the World

Grateful Dead

Key: E  
Tempo: 100  
Vocals: PJ

V1      Right outside this lazy summer home  
         You ain't got time to call your soul a critic, no.  
         Right outside the lazy gate of winter's summer home  
         Wonderin' where the nut thatch winters, wings a mile long  
         Just carried the bird away.

Chorus   Wake up to find out that you are the eyes of the world.  
           The heart has its beaches, its homeland and thoughts of its own.  
           Wake now discover that you are the song that the morning brings.  
           The heart has its seasons, its evenings and songs of its own.

Lead     *PJ Lead (Emaj7 Bm)*

V2      There comes a redeemer and he slowly too fades away.  
         There follows his wagon behind him that's loaded with clay.  
         The seeds that were silent all burst into bloom and decay,  
         Night comes so quiet, it's close on the heels of the day.  
         *Chorus*

Lead     *MV Lead (Emaj7 Bm A)*

V3      Sometimes we live no particular way but our own.  
         Sometimes we visit your country and live in your home.  
         Sometimes we ride on your horses, sometimes we walk alone,  
         Sometimes the songs that we hear are just songs of our own.

V1 I went down to the mountain, I was drinkin' some wine

Writ' in fire cross the heavens, just as plain as black and white  
Get prepared, there's gonna be a party tonight!

Chorus Uh-huh, it's Saturday night  
Well, uh-huh, One more Saturday night, Saturday night

V2 Well, everybody's dancin' down the local armory  
With a basement full of dynamite and live artillery  
Tempur'ture keeps risin' everybody gettin' high  
Come the rockin' stroke of midnight whole place is gonna fly  
*Chorus*

Lead *JM Lead over verse*

V3 I turn on channel six the President comes on the news  
Says, "I get no satisfaction that's why I sing the blues"  
His wife says, "Don't get crazy, Lord, you know just what to do.  
Crank up that ol' victrola, break out your rockin' shoes"  
*Chorus*

V4 Then God, way up in heaven for whatever it was worth  
Thought he'd have a big ol' party thought he'd call it planet Earth  
Don't worry 'bout tomorrow, Lord, you'll know it when it comes  
When the rockin', rollin' music meets the risin', shinin' sun
