Trey Anastasio

Key: D  
Tempo: 100  
Vocals:

V1 When we were talking, I didn't need to hide  
Black stallions through the night on a perfect ride  
I watched you open wide you looked into me  
I had to turn away, I didn't wanna leave

Chorus Now I'm letting it all roll by  
I can see, I can see, a life beyond the dream  
I'm watching it all roll by  
I can see, I can see, a life beyond the dream  
Don't give up hope, don't give up hope  
Keep dreaming, keep on dreaming  
Don't give up hope, don't give up hope

V2 We share these moments till they melt away  
Two foggy memories of a distant day  
A curtain is blowing in an open door  
Two souls can breath as one, I wanted more

Chorus Repeat

Solo G D A E    G D E (with "ahhhh's"), B A E

# A Wave of Hope

Phish

V1 From out of the chaos a wave appears  
In the moonlit confusion  
Irons melted, coming Grace, no longer frozen

V2 The pillow drowns the moans and shallow breaths  
As dancing silvery rays change, each wave eyes a star  
And the swollen moon hangs over the water

V3 Reflections guide the way, gold maze mirrors  
As the night wheels turn  
Shipwrecks sway, steel mast crashes, spin green sky

Chorus I have grown my wings, I am flying  
Ascending now, I am soaring  
Untied my wrists, and flew away  
This too shall pass, this too shall pass

Bridge We are flying, we are flying over the water  
We are diving, we are diving into the water

Jam Repeat Chorus  
Jam over bridge and chorus  
Repeat chorus X2

V1 When I jumped off, I had a bucket full of thoughts  
When I first jumped off, I held that bucket in my hand

I stood and watched the smoke behind the mountain curl  
It took me a long time to get back on the train

V2 Now I'm gone and I'll never look back again  
I'm gone and I'll never look back at all  
You know I'll never look back again  
I turn my face into the howlin' wind  
It took me a long time to get back on the train

# Backwards Down the Number Line

Phish

Key: C  
Tempo: 85  
Vocals: PJ

V1 Happy happy oh my friend, Blow out candles once again  
Leave the presents all inside, Take my hand and let's take a ride  
Backwards down the number line  
You were eight and I was nine. Do you know what happened then?  
Do you know why we're still friends? Laughing all these many years  
We pushed through hardships tasted tears, Made a promise one to keep  
I can still recite it in my sleep  
Every time a birthday comes, Call your friend and sing a song  
Or whisper it into his ear, Or write it down, just don't miss a year

Chorus You decide what it contains, How long it goes but this remains  
The only rule is it begins, Happy happy oh my friend  
And all my friends come backwards down the number line

Bridge Em D C Em D C

V2 And when I see you coming down the line with eyes wide open  
Somewhere in between the past and future, where you drift in time  
You can see a different point of view

Outro Chorus  
Jam

Notes Chorus structure:  
1. PJ sings "You Decide" (x 2)

- V1** Climb that hill, stay on your feet  
Scramble for your footing when it gets too steep  
You're on the highway now with higher hopes  
While all around are rolling eggs with living yokes  
You never get too sad, you never get too blue  
It must be all the chemtrails raining down on you  
The justice of the peace can't help you anymore  
And they just took the covers off the justice of war
- Chorus** You got your nice shades on, and the worst days are gone,  
So now the band plays on, you've got one life, blaze on!  
You got your nice shades on, and the worst days are gone  
So now the band plays on, you've got one life, blaze on!
- Leo!** | F C G C | F C G C |
- V2** The storm is passing through, lay down your sticks and stones  
The struggle's over now, we're all just flesh and bones  
We were wrong before, it was wrong to trust  
The shadows cast were only light and dust  
And then one day you'll find to your intense delight  
That 3 wrong turns can really make a right  
So why not be like me? Be proud of all your crimes  
Cause when i screw up once, I do it 2 more times  
(Chorus)
- V3** And we'll be dancing in the fields, running through the moor,  
Tripping on the barbed wire, buried near the shore.  
Blazing like a comet brighter than the full moon.  
So you better get ready, cause a change is coming soon,  
I met a liar, called the messiah, I got the frying pan, I wanted fire,  
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.  
(Chorus)

# Bouncing Round The Room

Phish

Key: D  
Tempo: 100  
Vocals:

- V1      The woman was a dream I had though rather hard to keep  
For when my eyes were watching hers they closed, and I was still asleep.  
For when my hand was holding hers she whispered words and I awoke  
And faintly bouncing round the room, the echo of whomever spoke and I awoke  
And faintly bouncing round the room, the echo of whomever spoke.
- V2      The place I sought was far beneath the surface of the sea,  
My sight was poor but I was sure the sirens sang their songs for me.  
They dance above me as I sink, I see them through a crystal haze  
And hear the sweet sound bouncing round, the never ending coral maze.  
The crystal haze and hear them bouncing round the room, the never ending coral maze
- Bridge Then before and now once more I'm bouncing around the room.
- A Part That time then and once again, I'm bouncing round the room  
That time then and once again, I'm bouncing round the room
- B Part And I awoke, faintly bouncing round the room,  
The echo of whomever spoke.

We want you to be happy, come step outside your room  
We want you to be happy, cause this is your song too

You were the song that my soul understood  
But time is a river that flows through the woods  
And it led us to places we both understood  
Would be gone before too long, would be gone before too long
- V4      When we were young we thought life was a game  
But then somebody leaves you and you're never the same  
All of the places that people belong  
To the puzzle but one of the pieces is gone  
And it's you, it's you, it's you, Joy it's you

# Miss You

Phish

**Intro** | : F# / E B : |

**V1** You're smiling at me, from your picture frame,  
and I miss you  
My life keeps on changing, but you stay the same,  
and I miss you  
So many moments, that we should have shared,  
I miss you  
And the days turn to years, and it hasn't stopped yet  
The memories we shared, I will never forget  
No I will never forget

**V2** There's a hole in my heart, that'll never be filled, I miss you  
This all should get easier, but it never will, I miss you  
I float through the days, and the long lonely nights, I miss you  
And I hear your footsteps, you're coming down the stairs  
Lost in your laughter, the sun in your hair  
A brief recollection, the light in your eyes,  
I see the reflection, but it passes by  
It passes me by

**Solo** (solo over bridge chords)  
B B A E

**V3** You're smiling at me, from your picture frame, I miss you  
Every morning I wake up, and I whisper your name, I miss you  
You're in faces of people, I see on the street  
You're everywhere (x3)

**Chorus** Easy now, easy now. Easy now, easy now.  
I wake up in my bed with monsters in my head

Easy now, easy now. Easy now, easy now.  
I wake up in my bed with monsters in my head

**Verse** A world of smoke and shadows  
Has clouded my vision for so long  
And I recall a time when I used to belong

The wreckage of the past  
And the fear of tomorrow haunts my mind  
I'm searching for a way to make it all rewind

## More

Phish

- V1      Life in slow motion, feet are in the clay  
I'm going nowhere, been standing here all day  
I had a notion, there was something more to do  
As I watched the water, from the banks of the river it swelled and grew  
And I tilt to the left, lean to the right, tilt to the left and lean to the right  
Walked on coal and slept on glass, amid swords of sound and daggers of light  
And my heart is screaming,  
cause half of what I say is lies, and it takes so much to keep up this disguise  
It takes so much to keep up this disguise
- V2      I see a doorway in the haze and I'm trying to get to it  
The stars are peepholes in a wall but we can walk through it  
The memory is still so real, the memory's still so real  
I guess it's never really over even when it's over
- Chorus    But I'm vibrating with love and light, pulsating with love and light  
in a world gone mad, a world gone mad, there must be something more than this  
I'm vibrating with love and light, pulsating with love and light  
in a world gone mad, a world gone mad, there must be something more than this
- V3      The trumpet call is sounding, the trees are bending low  
There's a great fire in the distance, there must be something more than this  
And our shadows will all be dancing, with red dust on our clothes  
And we'll leave by tornado, elbows in the clouds and feet in the sky
- Chorus
- V4      Ohhhh ohhhh ohhhh, woah ohhh ohh ohh ohhh ohhh  
Ohhhh ohhhh ohhhh, woah ohhh ohh ohh ohhh ohhh

# Mountains in the Mist

Phish

Key: G  
Tempo: 112  
Vocals:

- V1 Several times unconsciously I've stumbled on the path  
And seen a mountain in the mist  
As rain falls on my shoulders, sun rises in the east  
I'm worn and bruised, but I am here at least
- V2 I guess I'm just an obstacle a thing to overcome  
If I can sneak around myself again I'll know I've won  
The moment seems to hang and float before me with no end  
til I'm released, awakened beast, I'm on the road again
- Chorus** But now I'm soaring far too high  
A fleck of dust up in the sky where  
tiny clouds go sailing by  
Pull me down today
- V3 Woven in the fairy tales we fabricate each day  
Are little golden strands of truth that glimmer in the light  
The colorful material you hold a certain way  
Can keep us from the cold and help to get us through the night

# Ruby Waves

Trey Anastasio

V1      Blue morning, walk down the street, hear the rhythm from the soles of my feet  
On the pavement, I reach out my hands and touch the building that's beside me  
I look into the air up above my head, thin layer of clouds and the open sky  
All the stars are handles on doors, if I could touch 'em with my fingers  
They would open up

Chorus And a sea of love, ruby waves would pour down on my head  
An ocean of love would carry me up from this prison of lies  
If I could touch the stars with my fingertip the doors would open all around me  
Could escape from this prison of lies and swim  
In the ocean up above my head

V2      When I die I'll turn into a tiny ball of energy and I'll go flipping and floating up into the sky  
And bounce off the stars like a pinball machine, Look around  
All the lights on the machine are flashing 'til they explode and the particles join up with

Chorus A sea of love, ruby waves would pour down on my head  
An ocean of love would carry me up from this prison of lies  
If I could touch the stars with my fingertip the doors would open all around me  
Could escape from this prison of lies  
Could escape from this prison of lies  
Could escape from this prison of lies

Key: Am  
Tempo: 100  
Vocals: PJ

Form **Just Am, baby.**

- V1 If you can heal the symptoms but not affect the cause  
It's quite a bit like trying to heal a gunshot wound with gauze  
If you instead attempt to wrest the pistol from the hand  
Then I would not be able to equate my life with sand
- V2 Flowing through the hourglass, pushing through the funnel  
Turn once more while racing all your siblings for the tunnel  
Slide and let the silicone embrace you as you fall  
Then bounce and land you let your brothers crush you to the wall
- V3 I would choose my own religion and worship my own spirit  
But if he ever preached to me I wouldn't want to hear it  
I'd drop him, a forgotten god, languishing in shame  
And then if I hit stormy seas I'd have myself to blame
- V4 4X If you can heal the symptoms but not affect the cause, if you can heal the symptoms...

# Squirming Coil

Phish

- V1      The squirming coil of sunset I keep within my reach  
          Tried yesterday to get away and hitchhiked to the beach  
          I saw Satan on the beach trying to catch a ray  
          He wasn't quite the speed of light and the squirming coil  
          It got away, It got away (4x)
- Interlude 1
- V2      The muscles flex the mother's ring, she fastens children to her king  
          And sends him down the crooked street, When he returns, the birth's complete  
          Jimmy holds the Tannis root, the forest's tasty nectar shoot  
          The sun tips off the monarch's suit from sequined sash to shiny boot  
          "I'd like to lick the coil some day, like Icarus, who had to pay  
          with melting wax and feathers brown, he tasted it on his way down"  
          Stun the puppy! Burn the whale!  
          Bark a scruff and go to jail! Forge the coin and lick the stamp!  
          Little Jimmy's off to camp
- Interlude 2
- Outro     It got away, It got away (repeat)

# Waste

Phish

Chords | D Dmaj7 D7 | G Gm D |

V1     Don't want to be an actor, pretending on the stage  
Don't want to be a writer, with my thoughts out on the page  
Don't want to be a painter, 'cause everyone comes to look  
Don't want to be anything where my life's an open book  
A dream, it's true, but I'd see it through.  
If I could be (if I could be) wasting my time with you.

V2     Don't want to be a farmer, working in the sun,  
Don't want to be an outlaw, always on the run,  
Don't want to be a climber, reaching for the top,  
Don't want to be anything where I don't know when to stop.  
A dream, it's true but I'd see it through.  
If I could be (if I could be) wasting my time with you.

Bridge     So if I'm inside your head,  
don't believe what you might have read,

Come waste your time with me (x4)
