Blaze On

Phish

Intro	PJ gtr lick > drum fill > add rest (mellow)	Key: C Tempo: 90 Vocals: PJ
V1	Climb that hill, stay on your feet Scramble for your footing when it gets too steep You're on the highway now with higher hopes While all around are rolling eggs with living yokes You never get too sad, you never get too blue It must be all the chemtrails raining down on you The justice of the peace can't help you anymore And they just took the covers off the justice of war	
Chorus	You got your nice shades on, and the worst days are gone, So now the band plays on, you've got one life, blaze on! You got your nice shades on, and the worst days are gone So now the band plays on, you've got one life, blaze on!	
Leo!	F C G C F C G C	
V2	The storm is passing through, lay down your sticks and stones The struggle's over now, we're all just flesh and bones We were wrong before, it was wrong to trust The shadows cast were only light and dust And then one day you'll find to your intense delight That 3 wrong turns can really make a right So why not be like me? Be proud of all your crimes Cause when i screw up once, I do it 2 more times <i>(Chorus)</i>	
V3	And we'll be dancing in the fields, running through the moor, Tripping on the barbed wire, buried near the shore. Blazing like a comet brighter than the full moon. So you better get ready, cause a change is coming soon, I met a liar, called the messiah, I got the frying pan, I wanted fire, I saw a red dress, I met a daughter, I got the quicksand, I prayed for water. <i>(Chorus)</i>	
Jam	Bb -> C riff into jam in C.

Grateful Dead

Key: G
Tempo: 80
Vocals: JM

V1 I had a hard run, running from your window.
I was all night running, Lord I wonder if you care,
I had a run in, run around in a run down.
Run around the corner, corner, Lord I ran smack into a tree.

Chorus I had to move, really had to move,
That's why if you please, I am on my bended knees,
Bertha don't you come around here anymore.

V2 Dressed myself in green, I went down into the sea.
Try to see what's going down, try to read between the lines.
I had a feelin' I was fallin', I turned around to see,
Heard a voice a callin', Lord you was coming after me.

Lead **Verse/Chorus X 2**
Note: Second time through, chorus has vocals

V3 Ran into a rainstorm, I ducked back into a bar door.
It's all night pouring but not a drop on me.
Test me, test me, why don't you arrest me?
Throw me in the jailhouse until the sun goes down.

Outro Chorus: ... Anymore X 10

Throwing Stones

Grateful Dead

Key: E
Tempo: 100
Vocals: JM

V1 Picture a bright blue ball just spinning, spinning free
Dizzy with eternity.
Paint it with a skin of sky, brush in some clouds and sea
Call it home for you and me.

V2 A peaceful place or so it looks from space
A closer look reveals the human race.
Full of hope, full of grace, is the human face.
But afraid, we may our lay home to waste.

Chorus 1 There's a fear down here we can't forget, hasn't got a name just yet
Always awake, always around, singing ashes, ashes all fall down

V3 Now watch as the ball revolves and the nighttime falls
And again the hunt begins and again the blood wind calls
By and by again, the morning sun will rise
But the darkness never goes from some men's eyes.

V4 It strolls the sidewalks and it roams the streets
Staking turf, dividing up meat.
Nightmare spook, piece of heat,
It's you and me, you and me.

Chorus 2 Click flash blade in ghetto night, Rudies looking for a fight.
Rat cat alley roll them bones, Need that cash to feed that jones
And the politicians throwing stones
Singing ashes, ashes all fall down, ashes, ashes all fall down

Break 1 Commisars and pinstripe bosses roll the dice
Any way they fall guess who gets to pay the price.
Money green or proletarian grey
Selling guns instead of food today.

Chorus 3 So the kids they dance, they shake their bones
And the politicians throwing stones
Singing ashes, ashes all fall down, ashes, ashes, all fall down

Lead [Through V1 chords](#)

- V6 Heartless powers try to tell us what to think
 If the spirit's sleeping, then the flesh is ink.
 And history's page, it is thusly carved in stone
 The future's here, we are it, we are on our own, on our own (8 bars)
- Jam Sampson Jam: A / D / A / A / E / E
 Return: | : Bm / A / E / A / D / A :|
- Break 2 If the game is lost then we're all the same
 No one left to place or take the blame.
 Will we leave this place an empty stone?
 Or a shining ball of blue we can call our home?
- Chorus 4 So the kids they dance, they shake their bones
 And the politicians throwing stones
 Singing ashes, ashes all fall down, ashes, ashes all fall down
- Vocal Shooting powders back and forth
 Singing "black goes south while white comes north"
 And the whole world full of petty wars
 Singing "I got mine and you got yours."

 And the current fashions set the pace.
 Lose your step, fall out of grace.
 And the radical he rant and rage,
 Singing "someone got to turn the page"

 And the rich man in his summer home,
 Singing "Just leave well enough alone"
 But his pants are down, his cover's blown
 And the politicians throwing stones
 So the kids they dance they shake their bones
 Cause it's all too clear we're on our own
 Singing ashes, ashes all fall down, ashes, ashes all fall down
- V8 Picture a bright blue ball just spinning, spinning free
 Dizzy with eternity.
 Ashes, ashes all fall down...

Form **Just Am, baby.**

V1 If you can heal the symptoms but not affect the cause
It's quite a bit like trying to heal a gunshot wound with gauze
If you instead attempt to wrest the pistol from the hand
Then I would not be able to equate my life with sand

V2 Flowing through the hourglass, pushing through the funnel
Turn once more while racing all your siblings for the tunnel
Slide and let the silicone embrace you as you fall
Then bounce and land you let your brothers crush you to the wall

V3 I would choose my own religion and worship my own spirit
But if he ever preached to me I wouldn't want to hear it
I'd drop him, a forgotten god, languishing in shame
And then if I hit stormy seas I'd have myself to blame

Hits River Junction at seventeen to,
At a quarter to ten you know it's travelin' again

Trouble ahead, Lady in red
Take my advice you'd be better off dead
Switchman's sleeping, train hundred and two is
On the wrong track and headed for you

Come round the bend, you know it's the end
