# Blaze On

Phish

Intro	PJ gtr lick > drum fill > add rest (mellow)	Key: C Tempo: 90 Vocals: PJ
V1	Climb that hill, stay on your feet Scramble for your footing when it gets too steep You're on the highway now with higher hopes While all around are rolling eggs with living yokes You never get too sad, you never get too blue It must be all the chemtrails raining down on you The justice of the peace can't help you anymore And they just took the covers off the justice of war	
Chorus	You got your nice shades on, and the worst days are gone, So now the band plays on, you've got one life, blaze on! You got your nice shades on, and the worst days are gone So now the band plays on, you've got one life, blaze on!	
Leo!	F C G C   F C G C	
V2	The storm is passing through, lay down your sticks and stones The struggle's over now, we're all just flesh and bones We were wrong before, it was wrong to trust The shadows cast were only light and dust And then one day you'll find to your intense delight That 3 wrong turns can really make a right So why not be like me? Be proud of all your crimes Cause when i screw up once, I do it 2 more times <i>(Chorus)</i>	
V3	And we'll be dancing in the fields, running through the moor, Tripping on the barbed wire, buried near the shore. Blazing like a comet brighter than the full moon. So you better get ready, cause a change is coming soon, I met a liar, called the messiah, I got the frying pan, I wanted fire, I saw a red dress, I met a daughter, I got the quicksand, I prayed for water. <i>(Chorus)</i>	
Jam	Bb -> C riff into jam in C.	
Outro	Bb -> C riff and "Blaze On" repeated.

**V1** I had a hard run, running from your window.  
I was all night running, Lord I wonder if you care,  
I had a run in, run around in a run down.  
Run around the corner, corner, Lord I ran smack into a tree.

**Chorus** I had to move, really had to move,  
That's why if you please, I am on my bended knees,  
Bertha don't you come around here anymore.

**V2** Dressed myself in green, I went down into the sea.  
Try to see what's going down, try to read between the lines.  
I had a feelin' I was fallin', I turned around to see,  
Heard a voice a callin', Lord you was coming after me.

**Lead** **Verse/Chorus X 2**  
**Note: Second time through, chorus has vocals**

**V3** Ran into a rainstorm, I ducked back into a bar door.  
It's all night pouring but not a drop on me.  
Test me, test me, why don't you arrest me?  
Throw me in the jailhouse until the sun goes down.

**Outro** Chorus: ... Anymore X 10

I heard that knock upon my door.  
It's the Wolfman's Brother, the Wolfman's Brother  
Comin' down on me.

# Throwing Stones

Grateful Dead

Key: E

Tempo: 100

Vocals: JM

V1 Picture a bright blue ball just spinning, spinning free  
Dizzy with eternity.  
Paint it with a skin of sky, brush in some clouds and sea  
Call it home for you and me.

V2 A peaceful place or so it looks from space  
A closer look reveals the human race.  
Full of hope, full of grace, is the human face.  
But afraid, we may our lay home to waste.

Chorus 1 There's a fear down here we can't forget, hasn't got a name just yet  
Always awake, always around, singing ashes, ashes all fall down

V3 Now watch as the ball revolves and the nighttime falls  
And again the hunt begins and again the blood wind calls  
By and by again, the morning sun will rise  
But the darkness never goes from some men's eyes.

V4 It strolls the sidewalks and it roams the streets  
Staking turf, dividing up meat.  
Nightmare spook, piece of heat,  
It's you and me, you and me.

Chorus 2 Click flash blade in ghetto night, Rudies looking for a fight.  
Rat cat alley roll them bones, Need that cash to feed that jones  
And the politicians throwing stones  
Singing ashes, ashes all fall down, ashes, ashes all fall down

Verse 5 Commisars and pinstripe bosses roll the dice  
Any way they fall guess who gets to pay the price.  
Money green or proletarian grey  
Selling guns instead of food today.

Chorus 3 So the kids they dance, they shake their bones  
And the politicians throwing stones  
Singing ashes, ashes all fall down, ashes, ashes, all fall down

Lead 1 [Through verse chords](#)

- V6      Heartless powers try to tell us what to think  
          If the spirit's sleeping, then the flesh is ink.  
          And history's page, it is thusly carved in stone

- Jam      Sampson Jam: A / D / A / A / E / E

- V7      If the game is lost then we're all the same  
          No one left to place or take the blame.  
          Will we leave this place an empty stone?  
          Or a shining ball of blue we can call our home?
- Chorus 4    So the kids they dance, they shake their bones  
          And the politicians throwing stones  
          Singing ashes, ashes all fall down, ashes, ashes all fall down
- Vocal      Shooting powders back and forth  
          Singing "black goes south while white comes north"  
          And the whole world full of petty wars  
          Singing "I got mine and you got yours."

Wake now discover that you are the song that the morning brings.  
The heart has its seasons, its evenings and songs of its own.

Key: C  
Tempo: 164  
Vocals: JM

V1 I went down to the mountain, I was drinkin' some wine  
Looked up into heaven Lord, I saw a mighty sign  
Writ' in fire cross the heavens, just as plain as black and white  
Get prepared, there's gonna be a party tonight!

Chorus Uh-huh, it's Saturday night  
Well, uh-huh, One more Saturday night, Saturday night

V2 Well, everybody's dancin' down the local armory  
With a basement full of dynamite and live artillery  
Tempur'ture keeps risin' everybody gettin' high  
Come the rockin' stroke of midnight whole place is gonna fly  
*Chorus*

Lead **JM Lead over verse**

V3 I turn on channel six the President comes on the news  
Says, "I get no satisfaction that's why I sing the blues"  
His wife says, "Don't get crazy, Lord, you know just what to do.  
Crank up that ol' victrola, break out your rockin' shoes"  
*Chorus*

V4 Then God, way up in heaven for whatever it was worth  
Thought he'd have a big ol' party thought he'd call it planet Earth  
Don't worry 'bout tomorrow, Lord, you'll know it when it comes  
When the rockin', rollin' music meets the risin', shinin' sun  
*Chorus*
