# Ramble On Rose

## Grateful Dead

Key: D  
Tempo: 120  
Vocals: JM

V1 Just like Jack the Ripper, just like Mojo Hand,  
Just like Billy Sunday in a shotgun ragtime band,  
Just like New York City, just like Jericho,  
Pace the halls and climb the walls and get out when they blow.  
Did you say your name was Ramble on Rose?  
Ramble on baby, settle down easy, Ramble on Rose.

V2 Just like Jack and Jill, Mama told the jailor  
One heat up and one cool down and leave nothing for the tailor.  
Just like Jack and Jill, Papa told the jailer  
One go up, and one go down, do yourself a favor.  
Did you say your name was Ramble on Rose?  
Ramble on baby, settle down easy, Ramble on Rose.

Bridge I'm gonna sing you a hundred verses in ragtime,  
I know this song it ain't never gonna end.  
I'm gonna march you up and down along the county line,  
Take you to the leader of the band.

Lead **Short lead guitar**

V3 Just like Crazy Otto, just like Wolfman Jack,  
Sitting plush with a royal flush, aces back to back.  
Just like Mary Shelly, just like Frankenstein,  
Clank your chains and count your change and try to walk the line.  
Did you say your name was Ramble on Rose?  
Ramble on baby, settle down easy, Ramble on Rose.  
*Bridge*

v4 Goodbye Mama and Papa, goodbye Jack and Jill.  
The grass ain't greener, the wine ain't sweeter  
Either side of the hill.  
Did you say your name was Ramble on Rose?  
Ramble on baby, settle down easy, Ramble on Rose.  
Ramble on Rose.

**V1** Mary run around, sailin' up and down,  
Looking for a show in some direction.  
Got it from the top, it's nothing you can stop,  
Lord, you know they made a fine connection. They love each other,

**Chorus** Lord you can see that it's true  
Lord you can see that it's true  
Lord you can see that it's true

**V2** He could pass his time, around some other line  
But you know he chose this place beside her.  
Don't get in their way, there's nothing you can say,  
Nothing thay you need to add or do. They love each other.

**Chorus**

**Jam** MV > PJ > JM

**V3** It's nothing they explain, it's like a diesel train  
You better not be there when it rolls over.  
And when that train rolls in you don't know where it's been,  
You gotta try and see a little further. They love each other.

**V1** I told Althea I was feeling lost, lacking in some direction.

**V2** You may be Saturday's child, all alone, moving with a tinge of grace.  
You may be a clown in the burying ground, or just another pretty face.  
You may meet the fate of Ophelia sleeping and perchance to dream.  
Honest to the point of recklessness, self-centered in the extreme.

**Lead** **PJ**

**V3** Ain't nobody messing with you, but you, your friends are getting most concerned.  
Loose with the truth baby it's your fire, but baby don't get burned.  
When the smoke has cleared, she said, that's what she said to me.  
Gonna want a bed to lay your head and a little sympathy.

The time has come to weigh those things.  
This space is getting hot, you know this space is getting hot.

**V4** I told Althea I'm a roving son, and I was born to be a bachelor.  
Althea told me, okay, that's fine, so now I'm trying to catch her.

Been talking a lot about less and less and forgetting the love we bring.

Grateful Dead

Key: E

Tempo: 160

Vocals: JM

V1 As I was walking round Grosvenor Square,  
Not a chill to the winter, but a nip to the air.  
From the other direction she was calling my eye.  
It could be an illusion, but I might as well try, might as well try.

V2 She rings on her fingers and bells on her shoes,  
and I knew without asking she was into the blues.  
She wore scarlet begonias tucked into her curls  
I knew right away she was not like other girls, other girls.

V3 In the thick of the evening when the dealing got rough,  
She was too pat to open and too cool to bluff.  
As I picked up my matches and was closing the door,  
I had one of those flashes I'd been there before, been there before.

Bridge Well I ain't often right, but I've never been wrong,  
seldom turns out the way it does in the song.  
Once in a while you get shown the light  
in the strangest of places if you look at it right.

V4 Well there ain't nothin wrong with the way she moves  
or scarlet begonias or a touch of the blues.  
There's nothing wrong with the love that's in her eye.  
I had to learn the hard way to let her pass by, let her pass by.

# Throwing Stones

Grateful Dead

Key: E

Tempo: 100

Vocals: JM

V1 Picture a bright blue ball just spinning, spinning free  
Dizzy with eternity.  
Paint it with a skin of sky, brush in some clouds and sea  
Call it home for you and me.

V2 A peaceful place or so it looks from space  
A closer look reveals the human race.  
Full of hope, full of grace, is the human face.  
But afraid, we may our lay home to waste.

Chorus 1 There's a fear down here we can't forget, hasn't got a name just yet  
Always awake, always around, singing ashes, ashes all fall down

V3 Now watch as the ball revolves and the nighttime falls  
And again the hunt begins and again the blood wind calls  
By and by again, the morning sun will rise  
But the darkness never goes from some men's eyes.

V4 It strolls the sidewalks and it roams the streets  
Staking turf, dividing up meat.  
Nightmare spook, piece of heat,  
It's you and me, you and me.

Chorus 2 Click flash blade in ghetto night, Rudies looking for a fight.  
Rat cat alley roll them bones, Need that cash to feed that jones  
And the politicians throwing stones  
Singing ashes, ashes all fall down, ashes, ashes all fall down

Break 1 Commisars and pinstripe bosses roll the dice  
Any way they fall guess who gets to pay the price.  
Money green or proletarian grey  
Selling guns instead of food today.

Chorus 3 So the kids they dance, they shake their bones  
And the politicians throwing stones  
Singing ashes, ashes all fall down, ashes, ashes, all fall down

Lead [Through V1 chords](#)

- V6      Heartless powers try to tell us what to think  
          If the spirit's sleeping, then the flesh is ink.  
          And history's page, it is thusly carved in stone  
          The future's here, we are it, we are on our own, on our own (8 bars)
- Jam      Sampson Jam: A / D / A / A / E / E  
          Return: | : Bm / A / E / A / D / A :|
- Break 2    If the game is lost then we're all the same  
          No one left to place or take the blame.  
          Will we leave this place an empty stone?  
          Or a shining ball of blue we can call our home?
- Chorus 4    So the kids they dance, they shake their bones  
          And the politicians throwing stones  
          Singing ashes, ashes all fall down, ashes, ashes all fall down
- Vocal      Shooting powders back and forth  
          Singing "black goes south while white comes north"  
          And the whole world full of petty wars  
          Singing "I got mine and you got yours."  
  
          And the current fashions set the pace.  
          Lose your step, fall out of grace.  
          And the radical he rant and rage,  
          Singing "someone got to turn the page"  
  
          And the rich man in his summer home,  
          Singing "Just leave well enough alone"  
          But his pants are down, his cover's blown  
          And the politicians throwing stones  
          So the kids they dance they shake their bones  
          Cause it's all too clear we're on our own  
          Singing ashes, ashes all fall down, ashes, ashes all fall down
- V8      Picture a bright blue ball just spinning, spinning free  
          Dizzy with eternity.  
          Ashes, ashes all fall down...
