A Wave of Hope Phish

V1 From out of the chaos a wave appears In the moonlit confusion Irons melted, coming Grace, no longer frozen **V2** The pillow drowns the moans and shallow breaths As dancing silvery rays change, each wave eyes a star And the swollen moon hangs over the water **V3** Reflections guide the way, gold maze mirrors As the night wheels turn Shipwrecks sway, steel mast crashes, spin green sky Cm I have grown my wings, I am flying Chorus Eb Ascending now, I am soaring Untied my wrists, and flew away Bb This too shall pass, this too shall pass Ab **Bridge** We are flying, we are flying over the water We are diving, we are diving into the water Jam Repeat Chorus Jam over bridge and chorus Repeat chorus X2 **Notes** 8/7/2022 (https://www.youtube.com/watch?v=d5t hsn0W04)
