V1
            There've been times that I've wondered, and times that I don't.
            Concepts I'll ponder, and concepts I won't ever see
            G
            God is not one of these, former or latter
                                       C
            Which did you think I meant? It doesn't matter to me.

                                                                       F C
                                    C
                                                G F
                                                                             G
            Bug, Don't need it. Bug, Don't feed it. Bug, Thoughts faded. Overrated
Chorus
V2
            Gold in my hand in a country pool
            Standing and waving, the rain, wind on the runway
            Spending or saving, credit or death
            Which did you think I meant? Nothing I see can be taken from me.
            Bridge:1
            Chorus
