Backwards Down the Number Line Phish

V1 Happy happy oh my friend, Blow out candles once again
Leave the presents all inside, Take my hand and let's take a ride
Backwards down the number line

You were eight and I was nine. Do you know what happened then? Do you know why we're still friends? Laughing all these many years We pushed through hardships tasted tears, Made a promise one to keep

I can still recite it in my sleep

Every time a birthday comes, Call your friend and sing a song Or whisper it into his ear, Or write it down, just don't miss a year

Chorus You decide what it contains, How long it goes but this remains

The only rule is it begins, Happy happy oh my friend

And all my friends come backwards down the number line (x3)

Bridge Em D C Em D C

V2 And when I see you coming down the line with eyes wide open Somewhere in between the past and future, where you drift in time You can see a different point of view

Outro Repeat Chorus 2x
Jam -> Repeat Chorus
