## Miss You Phish

```
Intro
       |: F# / E B :|
                           F# E
              F#
                                      В
V1
       You're smiling at me,
                                 from your picture frame,
            F#
                      F# E B
       and I miss you
           F#
                                F# E
                                          В
       My life keeps on changing,
                                      but you stay the same,
                     F# E B
            F#
       and I miss you
       F#
                         F# E
                                     В
       So many moments,
                                 that we should have shared,
                 G#m F# E C#
       I miss you
                           F#
                                       G#m
                                                      В
       And the days turn to years, and it hasn't stopped yet
                               C#m
                                                BAE
       The memories we shared, I will never forget
                        BBAE
       No I will never forget
V2
       There's a hole in my heart, that'll never be filled, I miss you
       This all should get easier, but it never will, I miss you
       I float through the days, and the long lonely nights, I miss you
            В
                      F#
                                       G#m
       And I hear your footsteps, you're coming down the stairs
                           C#m
       Lost in your laughter, the sun in your hair
                         F# B
       A brief recollection, the light in your eyes,
                         C#m
                                      BBAE
        Е
       I see the reflection, but it passes by
                      BAE
       It passes me by
Solo
       (solo over bridge chords)
               В
                    A
V3
       You're smiling at me, from your picture frame, I miss you
       Every morning I wake up, and I whisper your name, I miss you
       You're in faces of people, I see on the street
       You're everywhere (x3)
Outro F#
                F#
                       Е
                            В
