                                                                                    Tempo: 92
V1
        It was many years ago now
                                                                                    Vocals: MV
        I really can't be sure
        Cause when it all began then
        I heard that knock upon my door.
        It's the Wolfman's Brother, the Wolfman's Brother
        Comin' down on me.
V2
        The telephone was ringing
        That's when I handed it to Liz
        She said, "This isn't who it would be
        If it wasn't who it is"
        It's the Wolfman's Brother, the Wolfman's Brother
        Comin' down on me.
V3
        So I might be on a side street
        Or a stairway to the stars
        I hear the high pitched cavitation
        Of propellers from afar
        It's the Wolfman's Brother, the Wolfman's Brother
        It's the Wolfman's Brother, the Wolfman's Brother
        It's the Wolfman's Brother, the Wolfman's Brother
        Comin' down on me.
Bridge
        So in meaningless excitement.
        through the total sound.
        It's like a cross between a hurricane.
        It's like a ship that's running ground
        It's the Wolfman's Brother, the Wolfman's Brother
        It's the Wolfman's Brother, the Wolfman's Brother
        It's the Wolfman's Brother, the Wolfman's Brother
        Comin' down on...comin' down on me.
